*\*Hours vary.*

### Associate in Arts Electives

These electives are for the Associate in Arts program only.

Select up to nine hours of college-level credit from the current Catalog. Hours beyond the number required in Oral Communication, Social Science, Mathematics, History, Natural Sciences, Literature and Humanities categories will count toward the nine elective hours. Up to nine hours of nonequivalent transfer credit also may be used.

**Strongly Recommended:** Students should choose courses that transfer to their chosen four-year college or university. See your transfer advisor for help in selecting appropriate electives.

**Exceptions:** These courses cannot be counted toward the nine hours of electives: MAT 155, IDS 101, COL 103, COL 104, ENG 100, ENG 150 and any course listed in the Catalog as a nondegree course.

No more than 15 hours of courses with the same prefix may apply toward the AA degree.

No course can count more than once.
