

The Foundation provided **\$988,473** in total support to Trident Technical College. Support activities include scholarships, minigrants, faculty/staff development, special events, other restricted programs, capital improvement funds and the IP telephony system used throughout the college.

The Foundation:

- Fosters local business relationships and raises awareness of TTC's mission
- Promotes scholarship awards and endowment opportunities
- Provides funds for classroom equipment and materials
- Encourages faculty/staff professional development through tuition assistance
- Recognizes the outstanding service and leadership of faculty, staff and retirees
