Addictions/Substance Abuse Career Path

Credit Requirements: 61/62 Semester Credit Hours

This career path prepares students with the knowledge, skillsets and professional ethics required to assist individuals, families or communities dealing with issues related to drug and/or alcohol addiction. Since addiction is linked to multiple social, economic and familial issues, graduates work in agencies/institutions serving a wide range of individuals with problems in living as well as addiction-specific settings.

Addictions/Substance Abuse

Certificate in Applied Science
Credit Requirements: 26 Semester Credit Hours

The Addictions/Substance Abuse certificate program is designed for students who have previous professional experience in the field of addictions and/or students who have previous related educational courses in the fields of social work, psychology, sociology, counseling, human services or other related fields. The program prepares students to build on their current skills by focusing on coursework and field experience related to the treatment of those who have addictions related issues. Students who enter this program will gain skills that will allow them to advance in the addictions field.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

Recommended Sequence of Courses
First Semester

HUS 208	Alcohol and Drug Abuse	3
HUS 209	Case Management	3
HUS 219	Psychopharmacology	3
HUS 230	Interviewing Techniques	3

HUS 218	Addictions Counseling II	3
HUS 235	Group Dynamics	3
HUS 252	Field Placement for Addictions I	4
		Total 13

Child Care Management

Certificate in Applied Science
Credit Requirements: 39 Semester Credit Hours

The Child Care Management certificate program prepares students to work in supervisory, management or administrative positions in early childhood development.

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test. Students who have transfer credits of C or better from an approved, regionally accredited postsecondary institution may not need to take the placement test. Program admission requires a health assessment denoting good health, a negative tuberculosis skin test and compliance with technical standards.

A clear criminal background check by the South Carolina Law Enforcement Division (SLED) also is required. In addition to SLED background checks, some child development centers and schools may require fingerprinting. Students entering these laboratory courses may opt to be fingerprinted. Fingerprinting and a SLED background check are required for the early care and education workforce.
