+Automatic credit for NUR 102 will be awarded after successful completion of the first clinical nursing course.

++Requirement may be met through co-op enrollment (CWE 112) or Transcultural Clinical Skills Application (NUR 246).

*Prior to enrolling in NUR 104, students must successfully complete the Practical Nursing (PN) Level Dosage Proficiency Placement Exam or Health Calculations (AHS 126).

Nursing Assistant

Certificate in Applied Science

Credit Requirements: 8 Semester Credit Hours

The Nursing Assistant program is a curriculum program that offers eight hours of college credit. It prepares students to assist in patient care and function as effective members of the nursing team, under the supervision of a Registered Nurse or a Licensed Practical Nurse. Graduates of the Nursing Assistant program are eligible to take the Nurse Aide Certification exam administered by the Department of Health and Human Services (DHHS). Upon satisfactory completion of the exam, graduates are Certified Nursing Assistants. Nursing Assistants work in hospitals, nursing homes and home health agencies.

The curriculum incorporates classroom instruction, laboratory simulation and clinical practice.

Prior to beginning clinical training, students must have a current CPR certification, medical professional liability insurance (included in tuition), major medical insurance, a physical examination and all required immunizations/testing.

Applicants who are Certified Nursing Assistants from another program or who have been out of TTC’s Nursing Assistant certificate program two or more years are eligible to be considered for admission to the CNA-to-PN option or CNA-to-ADN option.

Applicants who have graduated from TTC’s NA program less than two years before application must meet Practical Nursing Admission Requirements.

Admission Requirements

In addition to meeting the Program-Specific Admission Requirements below, applicants must also meet the General College Admission Requirements and General Nursing Program Admission Requirements. Admission to this program does not require proof of high school graduation. Students progressing to the ADN program will be required to submit proof of high school graduation.

Program-Specific Admission Requirements

1. Meet one of the following three admission options (a, b or c):
   a. Hold an associate degree or higher from a regionally accredited school with a minimum cumulative GPA of 2.75. Students must have a minimum cumulative GPA of 2.0 at TTC at time of admission.
   OR
   b. Achieve the required minimum scores on the COMPASS (READ-86; WRTG-75). Students must have a minimum cumulative GPA of 2.0 at TTC at time of admission.
   OR
   c. Complete General Psychology (PSY 201) with a minimum grade of B and Cardiopulmonary Resuscitation (AHS 106) with a minimum grade of Satisfactory Complete (SC). Students must have a minimum cumulative GPA of 2.0 at TTC at time of admission.
Important Note:
Students initially admitted to the Nursing Assistant program who wish to progress to the PN or ADN programs MUST provide proof of current South Carolina certification as a Nursing Assistant with no substantiated findings on file with S.C. Nurse Aide Registry prior to progressing to the PN or ADN programs.

AHS 106 Cardiopulmonary Resuscitation 1
NUR 102 Basic Nursing Care Skills 4
PSY 201 General Psychology 3
Total 8

Pre-Nursing
Certificate in Applied Science
Credit Requirements: 26 Semester Credit Hours
The Pre-Nursing Certificate is a curriculum program, which offers 26 hours of college credit. Pending admission to one of the Nursing programs, students may complete the certificate program. While completion of this certificate may not be the selected admission option, it will provide the student with skills and knowledge prior to entering one of the Nursing programs.

The curriculum incorporates classroom and laboratory instruction. Students interested in the Pre-Nursing Certificate program should complete the online Open Advising Session by visiting TTC’s website at www.tridenttech.edu/nursing.htm.

Recommended Sequence of Courses
First Semester
BIO 210 Anatomy and Physiology I 4
REQ GEN Select one additional course from the listing on pages B-3-B-4 3
ENG 101 English Composition I 3
PSY 201 General Psychology 3
Total 13

Second Semester
BIO 211 Anatomy and Physiology II 4
MAT 110 College Algebra 3
or
MAT 120 Probability and Statistics 3
PSY 203 Human Growth and Development 3
REQ HUM Select one course from the Humanities listing on page B-3 3
Total 13

Note: Completion of the Pre-Nursing certificate alone does not meet the Pre-Nursing Certificate option for admission to the Nursing program. Students using the Pre-Nursing Certificate as their admission option must complete all courses in the Pre-Nursing Certificate with a grade of C or better and minimum cumulative GPA of 2.75. No more than four of the eight required courses required for the Pre-Nursing Certificate may be repeated to meet this admission option.
