**On the Cover:** To support the state's growing aerospace cluster, Trident Tech is constructing the S.C. Aeronautical Training Center on Thornley Campus.

It is the policy of Trident Technical College that no discrimination on the grounds of race, color, disability, religion, gender, sexual orientation, age, marital status, veteran status, gender identity, pregnancy, or national or ethnic origin will exist in any area of the college.

# S.C. Aeronautical Training Center

To support the state's growing aerospace cluster, Trident Technical College is constructing the S.C. Aeronautical Training Center on Thornley Campus (formerly Main Campus) in North Charleston. The new facility will provide training for well-paying jobs in expanding advanced manufacturing industries with diverse workforces and excellent upward job mobility.

The 218,000-square-foot project includes a ramp, two hangers with high bays to accommodate large aircraft training aids, 22 classrooms, 25 specialty labs, 6 flex-space labs, 37 faculty/staff offices, meeting spaces, a café and catering kitchen.

Consolidating classrooms and labs now distributed across two campuses and five buildings adds more training space and increases efficiency.

The training center will promote economic development in the region and, as a statewide asset, will assist the Department of Commerce in attracting more aeronautic and advanced manufacturing suppliers to South Carolina.

The three-story facility increases Trident Tech's capacity to provide an educated and trained pipeline of workers with the skills required now and in the future. Students on group tours will be able to see modern advanced manufacturing training first hand.

"We have a decade to do what Washington State had 100 years to do – create an aeronautical culture," said Dr. Mary Thornley, Trident Technical College president. "The

S.C. Aeronautical Training Center will not only allow us to meet the demand for skilled workers but will help spark an interest in the next generation of South Carolinians to pursue a career in the aerospace field."

A \$6 million gift from the Zucker family will enhance programs housed in the new facility and help sustain the ongoing operation of the center. The Zuckers designated \$500,000 of the pledge as a matching challenge to fund a solar array for the facility.

The center will house academic courses including high-tech manufacturing programs and Aeronautical Studies programs, readySC's Boeing training, and advanced manufacturing training provided by the Division of Continuing Education and Economic Development. Offerings will include programs leading to associate degrees and continuing education certificates as well as specialized training and seminars for major manufacturers in the region and state.

"For South Carolina to have the ability to absorb the workforce requirements of suppliers as well as Boeing, we need added capacity to train workers. This new facility will position our state to meet the needs of the rapidly expanding aerospace cluster as well as other advanced manufacturing industries," said Thornley.

An estimated 5,370 students and 120 faculty and staff will use this facility annually.

**Note: Admission requirements are subject to change.**

## Step 1: Admissions – Student Email

TTC student email accounts are set up within 10 days after you submit an admission application. To access your account, go to [my.tridenttech.edu](http://my.tridenttech.edu).

- Financial aid status
- Emergency closings
- Calendar updates

- Veterans information
  - Password changes for online registration (TTC Express)
  - Student events
  - Registration information
  - College announcements
  - Confirmation of online payment of tuition and fees

## Step 1: Admissions – Decisions About Your Major

If you declare an **undecided** major, a college counselor is your advisor. An undecided major means you have not yet chosen an academic program, or you are unsure about earning either a certificate, diploma, associate or four-year degree; or you have not yet chosen a career field. Your counselor will advise you about courses to take until you select an academic program.

After you select your academic program major, your TTC counselor will refer you to the appropriate department to receive the name of your academic program advisor.

If you have declared a major (any certificate, diploma or degree program) but remain **uncertain** about some of your academic, career and/or college goals, contact Counseling and Career Development Services at one of the following offices for assistance in determining your academic, career and/or college goals.

Thornley Campus, Student Center,  
Bldg. 410/Rm. 210, 843.574.6131

### If You Are Not Seeking a Degree

If you are nondegree-seeking but would like to explore your academic or career goals, contact Counseling and Career Development Services at one of the locations shown.

Nondegree-seeking students do not qualify for financial aid or veterans assistance. Transient students are declared nondegree-seeking and are not eligible for financial assistance.

*Please Note: You must declare a major to be eligible for S.C. lottery-funded tuition assistance.*

## Step 1: Admissions – Placement

### Do I Need to Take a Placement Test?

New students entering Trident Technical College will be placed into courses using the following measures.

**GPA:** Students graduating from a South Carolina high school within the last five years with a weighted GPA of 3.0 or higher will not need to take the placement test and will be eligible to enroll directly into college-level courses. Students can provide a final, official South Carolina high school transcript during the admission process. If a final, official transcript is not available, or if the weighted GPA is lower than 3.0, the college will use one of the placement measures below to determine whether the student can register for college-level courses or if he or she will need to take one or more developmental courses.

**SAT or ACT:** Students can have official score reports of SAT or ACT scores sent to Trident Tech. Scores are valid for five years from the date of testing.

Qualifying SAT/ACT scores are listed on the admission application (inserted after page 12).

**TTC Placement Test:** Students who cannot show qualifying high school weighted GPA or SAT/ACT scores will need to take the Next-Generation ACCUPLACER placement test at one of the four Trident Technical College campuses. You may schedule a TTC placement test at any campus by calling Testing Services (see page 2). Next-Generation ACCUPLACER writing and reading scores are valid for five years from the date of testing; math Next-Generation ACCUPLACER scores are valid for two years.

### Before the Test

Prior to testing, brush up on your skills, especially basic math. Download the FREE Next-Generation sample questions and the

FREE Next-Generation ACCUPLACER study app at <https://accuplacer.collegeboard.org/student/practice>.

### After the Test

If your TTC placement test scores do not meet your program's required scores in English, math or reading, TTC's Developmental Studies courses will help you improve your skills before you start your program of study.

### Credit by Examination

Get credit for out-of-college experience. TTC offers the CLEP and DANTES (DSST) examinations. Both are national systems of credit-by-examination. Call Testing Services at 843.574.6438 for more information and to schedule a CLEP or DSST examination on Thornley Campus or call 843.722.5516 to schedule on Palmer Campus.

## Step 2: Financial Aid *(continued on next page)*

### What Types of Financial Aid Are Available?

You must be an eligible degree-seeking student to receive financial aid. Financial aid can be split into two main categories: financial aid that requires you to complete a FAFSA and financial aid that does not require a FAFSA. Because some scholarships require a FAFSA for consideration, a FAFSA is highly recommended. The FAFSA is available online at [www.fafsa.gov](http://www.fafsa.gov).

*Note: If you are a nondegree or undecided student, you are not eligible to receive any kind of financial aid.*

Financial Aid that <b>REQUIRES</b> completion of the FAFSA	Financial Aid that <b>DOES NOT</b> require completion of the FAFSA
<b>Federal Grants</b> <ul style="list-style-type: none"><li>• Pell Grant (FPELL)</li><li>• Supplemental Educational Opportunity Grant (FSEOG)</li></ul>	<b>TTC Scholarships</b> – Trident Technical College and the TTC Foundation offer a variety of scholarships. More information about the scholarships can be found at <a href="http://www.tridenttech.edu/foundation/helping/fd_scholarships.htm">www.tridenttech.edu/foundation/helping/fd_scholarships.htm</a> .
	<b>S.C. LIFE Scholarship</b>
<b>State Grants</b> <ul style="list-style-type: none"><li>• South Carolina Need-Based Grant (SCNBG)</li><li>• South Carolina Lottery-Funded Tuition Assistance (SCLTA)*</li></ul>	<b>Institutional Work-Study</b> – Institutional work-study assignments are not based on financial need. You must complete a work-study application and assignments are based on availability.
<b>Federal Work-Study</b>	<b>GI Bill Benefits</b>
<b>Student Loans</b>	

\*You are not required to complete the FAFSA to receive only S.C. lottery-funded tuition assistance if you meet certain additional eligibility requirements. You must complete a Lottery Tuition Assistance Waiver to see if you are eligible. This waiver and additional information can be found at TTC's website, [www.tridenttech.edu](http://www.tridenttech.edu). However, if you do not complete the FAFSA, you will not be eligible to receive any Title IV financial aid, federal student loans and most state-based grants. More information about federal and state aid programs can be found on TTC's website, [www.tridenttech.edu/financialaid.htm](http://www.tridenttech.edu/financialaid.htm).

### When Will I Get My Refund Check?

There are two financial aid refunds in each semester for students receiving financial aid assistance, at the beginning of Term 1 and Term 2. The refund amount will be pro-rated per term, based on credit hours and other factors. Enrollment determines when students can receive refunds for certain kinds of aid. Some students may not receive a refund for Term 1 and Term 2. In addition, students attending only Maymester may also receive a refund based on hours taken in Maymester.

You will be issued a refund for any excess amount after Drop/Add for each term, depending on your enrollment. (For direct deposit, see page 18.) To be eligible, you must:

- have sufficient funds to cover your tuition and any books or course materials charged to your student account,
- complete your share of financial aid processes within the date periods on pages 4, 6 and 8.
- have met financial aid standards of academic progress, and
- not have a balance in a prior semester.

Refund check release dates will be posted in the [my.tridenttech.edu](http://my.tridenttech.edu) student portal. TTC releases refunds approximately three weeks after the start of the term.

### Financial Aid Self-Service

Financial Aid Self-Service guides you through the entire financial aid process online. Access it through your student portal.

### S.C. LIFE Scholarship

The S.C. LIFE Scholarship covers up to \$2,350 for tuition costs with a \$150 book allowance in both the Fall and Spring semesters at a two-year college. To qualify, you must:

- Be a S.C. resident.
- Graduate from a S.C. high school with a minimum cumulative GPA of 3.0 based on the S.C. uniform grading policy.
- Submit official S.C. high school transcripts to TTC's Admissions office.
- Complete a S.C. LIFE Scholarship affidavit.

For more information, visit [www.tridenttech.edu](http://www.tridenttech.edu) and search for "LIFE Scholarship."

Students receiving a waiver of tuition will not be issued a tuition refund.

### How Do I Get a Student Loan?

- TTC includes pending student loans in the award packaging process.
- You must log in to your Financial Aid Self-Service account and either accept or reject your loan offer.
- Be sure you have completed the following forms:
  - Master Promissory Note: [www.studentloans.gov](http://www.studentloans.gov)
  - Entrance Counseling: [www.studentloans.gov](http://www.studentloans.gov)
  - Student Loan Borrower Information Form in Financial Aid Self-Service
- You must be enrolled in at least six credit hours required for your program of study.

## Step 2: Financial Aid

### Financial Aid Tips

- **Apply for financial aid online.** Approval is often sent in two to three weeks. SAR corrections are easier to make, too. Go to [www.fafsa.gov](http://www.fafsa.gov).
- **Apply for financial aid every year.** To continue receiving financial aid, reapply each academic year (preferably in October).
- **Apply for financial aid early.** It can take several weeks to get approval.
- **You will not receive funds** until you complete all admission requirements and register for courses, the Drop/Add period has ended and Never Attended report has been completed with financial aid accounts updated.
- **Financial aid pays only** for classes required for graduation in your declared

major. Nondegree and undecided students are not eligible to receive financial aid. Financial aid will not pay for previously passed courses that you are repeating for the third attempt.

- **Meet the Satisfactory Academic Progress (SAP) standards** to continue receiving aid. For more information, go to [my.tridenttech.edu](http://my.tridenttech.edu).

## Veterans Services

### VETS Center and Using GI Bill Benefits

The VETS Center should be your first stop if you are active duty, prior service, Guard, Reserve or a veteran.

The VETS Center will assist veterans, spouses and dependents in applying for and understanding their GI Bill benefits. VETS Center staff will explain the admission process. They also provide referrals to other campus services.

The VETS Center is a quiet place to study with other veterans. You can get help using the computer and navigating TTC's portal and D2L. There is access to computers, internet, printing and space for tutoring.

The Thornley Campus VETS Center is in Bldg. 700/Rm. 201. Hours vary. Call 843.574.6882 for more information.

The VETS Center at Palmer Campus offers computers for use in Rm. 105-A. Call 843.722.5526.

### Veterans Upward Bound (VUB)

VUB is a free pre-college program that helps eligible U.S. military veterans improve their academic skills so they can transition to college.

To be eligible, students must:

- Be a first-generation college student.
- Meet certain income guidelines.
- Have a discharge other than dishonorable.
- Be a tri-county resident.
- Not hold a four-year degree.

Program benefits:

- Veteran-only classes
- Assistance requesting military service records
- Referral to other veteran services
- Career development
- Tutoring services

VUB is located on Thornley Campus in Bldg. 700/Rm. 106. Call 843.574.6870. VUB's Palmer Campus location is in the Student Success Center, Rm. 226G. Call 843.574.6870.

### Financial Aid/Veterans Assistance

The Veterans Assistance office is located in Bldg. 410/Rm. 102 on Thornley Campus.

Once you have visited the VETS Center on either Thornley or Palmer campuses, completed your paperwork and have your schedule, you should see a VA rep.

Here are some common VA questions:

#### **How do I get Chapter 33 housing allowance?**

Chapter 33 students are eligible for the monthly housing allowance if pursuing training at a rate of **more than 50 percent**.

#### **Are there other benefits for students who are dependents of a veteran?**

Children of veterans who are 100 percent disabled or who were killed during military service may be eligible for benefits. Contact the TTC VA office or VETS Center.

#### **Am I responsible for paying tuition and fees if I'm a veteran or dependent?**

**VA Chapters 30, 35, 1606** – Be prepared to pay your tuition, fees and book charges by the published deadlines each semester. The initial award process can take up to three months.

**Chapter 33** – You must provide the TTC VA office with a copy of your submitted VA application or confirmation of application; DD-214 for 702-Choice Act Residency; or Certificate of Eligibility or eligibility status. You must notify TTC's VA office of your intent to use benefits. You will not have to pay your tuition and fee charges by the scheduled payment deadlines; however, if your benefit is less than 100 percent, you are responsible for the balance of tuition/fee charges after the VA submits payment to TTC. TTC is not a Yellow Ribbon School at this time.

#### **Can I take a class that is not in my program of study and still receive my benefits?**

No. VA only allows payment for the courses required for graduation and certified to the VA in your program of study. Ask a VA representative about Rounding Out during your last semester.

#### **How do I withdraw from a class?**

An official withdrawal must be completed. The last date of attendance is used to make any adjustments to the certification.

#### **How do I maintain my benefits?**

To continue receiving GI Bill benefits through certification, you are required to meet the Standards of Academic Progress. VA will be notified of probation and suspension status. Complete a VA request form every semester. Review the academic policy regarding academic suspension.

#### **I'm a veteran but not a S.C. resident. Do I qualify for in-state tuition?**

Maybe, based on Section 702 of the Choice Act, if you meet the following criteria:

- Are receiving benefits under Chapter 30 or 33 (show certificate of eligibility)
- Have served at least 90 consecutive days of active duty in uniformed service of the U.S. (DD214)
- Are enrolling in a public institution in S.C. within three years of discharge date (DD214)
- Are now living in S.C. and provide proof of physical address, not a P.O. box.

## Step 3: New Student Orientation

A Navigate to Success session is vital to your academic success, and students are expected to attend. After the session, you will meet a Navigator or you will be assigned an academic advisor for your major, and you will learn about TTC and its services. This information will help you achieve your educational goals and have a positive experience at TTC.

You don't have to wait for acceptance to TTC. You may meet with a Navigator as soon as TTC processes your application (about five days after you submit your

application and pay the \$30 fee) and have test scores in TTC's computer system or with you in a printed format.

For assistance to attend a session, please visit one of the campuses during office hours, call or search "The Hub" on [www.tridenttech.edu](http://www.tridenttech.edu). No appointment is necessary.

If you are unable to attend a session in person or are taking online courses, please visit the [my.tridenttech.edu](http://my.tridenttech.edu) portal for the link to The Hub.

## Public Safety Services

### Public Safety Officers

TTC employs state constables who are trained and certified police officers for the state of South Carolina. The Public Safety officers enforce all federal, state and local laws as well as the policies and procedures of the college. TTC's Department of Public Safety shares concurrent jurisdiction with state and local law enforcement agencies.

### Public Safety Services

The Jeanne Clery Disclosure of Campus Policy and Campus Crime Statistics Act requires TTC to collect and report crime statistics for crimes committed on campus, noncampus building or property, and public property reasonably contiguous to all campuses. The college policies and procedures relating to campus security and the annual crime statistics are published on Public Safety's website, [www.tridenttech.edu/publicsafety.htm](http://www.tridenttech.edu/publicsafety.htm).

In accordance with the S.C. Campus Sexual Assault Information Act, a copy of TTC's sexual assault policy is available in the office of the vice president for Student Services (Thornley Campus, Bldg. 410/ Rm. 220) and the director of Human Resources (Thornley Campus, Bldg. 940).

Rape Aggression Defense (R.A.D.) classes are offered throughout the year for female faculty, staff and students 16 years old and older. For more information, call Public Safety at 843.574.6053 or visit [www.tridenttech.edu/publicsafety.htm](http://www.tridenttech.edu/publicsafety.htm).

While the college makes considerable efforts to ensure the safety

and security of everyone on campus, it is your responsibility to take precautions to protect yourself.

Whenever a threat to students is determined, college officials will notify students in a timely manner to help you become aware and protect yourself.

Think and practice crime prevention. Report any crimes or emergencies to Public Safety immediately by calling 843.574.6911 (6911 from a campus phone).

Non-emergency calls should be placed to 843.574.6053. Call boxes in parking lots may be used for emergency or non-emergency calls to Public Safety.

### TTC Emergency Alert System (EAS)

TTC's EAS is used to quickly communicate with students during a crisis. To have alerts sent to your mobile device, landline telephone or personal email address, visit the [my.tridenttech.edu](http://my.tridenttech.edu) student portal, click on TTC EAS under TTC Bookmarks, and follow the directions to register. (Students are automatically registered to receive alerts at their [my.tridenttech.edu](http://my.tridenttech.edu) email account.) EAS alerts are also posted on Trident Tech's website ([www.tridenttech.edu](http://www.tridenttech.edu)), portal, Twitter and Facebook. Audible and/or text alerts can be sent to campus telephones located in classrooms, hallways and offices. Alerts are also recorded on the EAS Student Infoline, 843.574.6262, ext. 9091. A toll-free Infoline, 877.869.7736, is activated when conditions warrant. The college also sends alerts to local news media.

### Am I eligible to register online?

Most currently enrolled students who are in good financial and academic status can register online through the student portal, [my.tridenttech.edu](http://my.tridenttech.edu), in TTC Express or Navigate. The following students are NOT eligible to register online:

- High school students, students on academic suspension or returning from suspension
- Students who owe college fees or Library materials

New students and students who have not attended TTC since 2005 will receive access to TTC Express through the [my.tridenttech.edu](http://my.tridenttech.edu) student portal within 10 days after submitting a college application or completing a Student Information Update form.

### How do I register online?

Go to [my.tridenttech.edu](http://my.tridenttech.edu) (the student portal). You can find information about how to log in as well as instructions for changing your password. You use the same username and password to access [my.tridenttech.edu](http://my.tridenttech.edu) for email, TTC Express, Navigate and D2L coursework. Once logged into TTC Express or Navigate, you can register for classes and access other information. See below for a step-by-step registration guide.

### What is Express Registration?

Choose Express Registration in TTC Express if you know the exact subject, course number and section number of your classes.

### What is search and registration?

If you don't know exactly what section you want to take, choose the search and registration option. TTC Express has a search function that allows you to look for courses in a way that makes sense for you. You can search by campus, day, time, term, instructor, subject, course number or other parameters.

### Does TTC Express recognize prerequisites?

As you register for classes, the system automatically checks for course prerequisites. If you have not taken a required prerequisite, you will not be able to register for the course. In addition to the course prerequisites listed in the Catalog, many courses have a reading prerequisite that must be satisfied before registering for a course. Students may satisfy the reading prerequisite in different ways, including scores on a TTC placement test, SAT or ACT, or a transcript from another college showing credit.

### Can I print a class schedule?

After you register, you can view and print your class schedule any time. Be sure to choose the appropriate term from the drop-down menu.

### What else can I do online?

You can check the balance due on your account, pay tuition and fees, and conveniently add, drop or withdraw from classes with TTC Express. With the grade feature, you can see your grades as soon as they are posted as well as review your GPA. You can view transcripts and check your financial aid status online as well as change address and phone information.

*Tuition is subject to change.*

*Each student must pay a registration fee per semester.*

*Certain courses have an additional required fee. See [www.tridenttech.edu](http://www.tridenttech.edu) > Pay for College > Tuition and Payment.*

## Residency

TTC determines residency at the time of admission based on S.C. law and Commission on Higher Education regulations at [www.che.sc.gov](http://www.che.sc.gov). Documents are required for proof of residency. To resolve your residency status, contact the Admissions office before registering. You must submit a Change in Residency Status form to the Admissions office by the last business day before your first term begins.

A dependent student seeking classification as a South Carolina resident will not be automatically disqualified from receiving instate tri-county tuition because of the citizenship or immigration status of their parent(s) or guardian(s). Staff should advise students that the immigration or citizenship status of a student's parents(s) or guardian(s) will not automatically disqualify them from receiving these benefits. For U.S. citizen students with undocumented parents or guardians, state-issued identification documents and other typical indicia of residency may not be available to the parents. In such cases, staff should work with the student to obtain alternate proof of the parents' residence and domicile in South Carolina, including but not limited to the other documents listed in S.C. Code Reg. § 62-605(C), as well as utility bills, lease documents, medical and school records, and other records that may indicate domicile. No particular document or combination of documents shall be conclusive in every case; rather, in all cases, regardless of the citizenship or immigration status of the parents or guardians, staff shall endeavor to determine whether South Carolina is the true, fixed, principal residence and place of habitation as set in S.C. Code Ann. §59-112-10(D), based on the information and documentation submitted by the student. In all cases, the student has the burden of proving fulfillment of the requirements for in-state tuition and attendant benefits.

## Payment Procedures

**Payment must be received in the Business office and balance paid in full or you must be enrolled in a payment plan by published deadlines (see pages 5, 7 and 9). If payment is not made, or if you are not enrolled in a payment**

**plan by the due date, you may not be allowed to register for a future semester or receive a transcript, or your future semester registration may be cancelled.**

To verify your tuition balance, go to the [my.tridenttech.edu](http://my.tridenttech.edu) portal. Once you log into your account, choose Menu > Financial Life > My Account and Payment Information.

**Drop/Add:** If you officially drop your course(s) during Drop/Add, you will receive a 100 percent refund of tuition. See refund information (page 13). TTC releases refunds approximately three weeks after the start of the term.

## Payment Options

**In person:** Pay in person at one of TTC's Business offices at Thornley, Berkeley, Palmer or Mount Pleasant campuses.

**Online/Payment Plan:** Use the [my.tridenttech.edu](http://my.tridenttech.edu) portal to pay online or set up a payment plan. For more information about the payment plan, visit TTC's website or call 843.574.6124 or email [BusinessOperations@tridenttech.edu](mailto:BusinessOperations@tridenttech.edu).

**By mail:** At least five days before the fee payment deadline, mail your check to Trident Technical College, Attn: Business Office (BO-M), P.O. Box 118067, Charleston, S.C. 29423-8067. Your check must be in the Business office by the fee payment deadline and include the student's ID number.

## Payment Methods

**Credit Cards:** You can use VISA, MasterCard, Discover or American Express in the Business offices and bookstores on all four TTC campuses and in the [my.tridenttech.edu](http://my.tridenttech.edu) portal. When paying by credit card in person, you must have a valid picture ID and your name must be on the credit card.

**Checks:** When paying by check, you must have a picture ID.

**Financial Aid:** You will receive an electronic award letter through your TTC student email account ([my.tridenttech.edu](http://my.tridenttech.edu) student portal) for any financial aid you are eligible to receive. The award is based on full-time enrollment and will be adjusted if you enroll in fewer than 12 hours. Your awards may cover all or a portion of your tuition costs. **If your financial aid does not cover all of your tuition, you must pay the difference by the registration payment deadline.**

If you are applying for veterans benefits, you must submit an enrollment

form for each semester. This may be done electronically through your [my.tridenttech.edu](http://my.tridenttech.edu) account.

**Third-Party Sponsor:** If an employer or sponsoring agency is paying your tuition, you must turn in to the Business office signed authorization for tuition and fees by payment due date. Written authorization must be submitted each semester.

## Refunds and Withdrawal Policies

It is your responsibility to officially drop or withdraw from courses. Failure to do so may result in a grade of F on your permanent academic record. You can withdraw online or contact the Registrar's office for the appropriate form. The refund policy is subject to change without notice.

Fees paid by VISA, MasterCard, Discover or American Express may be refunded to the credit card used for payment. Financial aid refunds are made in accordance with federal Title IV regulations.

Financial aid recipients, please note that if you withdraw completely, you may owe money back to the federal government and TTC based on the Return to Title IV calculation requirements.

**Electronic direct deposit available for student refunds:** To have your refund check deposited directly into your bank account, sign up for Electronic Student Refund Checks. To register, go to the My Account and Payment Information menu in [my.tridenttech.edu](http://my.tridenttech.edu) and select "Bank Information for Electronic Student Refund Checks." Enter your bank routing number and your personal bank account number. Please allow up to two business days for your financial institution to credit your account after TTC sends out checks. Questions? Please email [refunds@tridenttech.edu](mailto:refunds@tridenttech.edu).

## Returned Check Policy

If your check to the college is returned for insufficient funds, you have 10 days to make full repayment including a service charge (in accordance with current law). You must pay by money order, cash or credit card in the Business office.

## Important

**You will NOT receive a bill for tuition and fees via U.S. mail. Check your account under Menu > Financial Life > My Account and Payment Information.**

## Step 6: Attend Class

### TTC Online College

TTC offers a variety of nontraditional course delivery methods designed to make college classes available to individuals who, for a variety of reasons, may not be able to attend traditionally scheduled classes. TTC Online College offers a totally online educational experience. Please visit [www.tridenttech.edu/academics/online/](http://www.tridenttech.edu/academics/online/).

### D2L Access

Students gain access to D2L approximately one week before the first day of class.

During this time, you can check your D2L email and the My Home Announcements, and watch D2L student tutorial videos. Students gain access to D2L courses at 1 a.m. the day before the term starts. Click on the envelope icon ("Email Alert") in the top white banner to read D2L emails that your instructors may have sent. Also please read and follow any directions outlined in the Course Announcements widget per each course. You can access D2L from **[my.tridenttech.edu](http://my.tridenttech.edu)**.

### Hybrid Courses

**Hybrid** courses combine traditional classroom learning with online instruction

and/or other media. Because the classroom time is significantly less than that required in a traditional course, hybrid courses offer a convenient alternative for some students.

The amount of material covered in a hybrid course is the same as that in a traditional course. The difference is that a substantial portion of the coursework is completed outside of the classroom, using web-based instruction or other forms of media.

You must attend scheduled class meetings. When planning your schedule, please note the course dates and times to avoid conflicts with other courses.

## Course Format

TTC has two 7-week terms and one 14-week term for Fall and Spring semesters. Summer Semester includes a 3-week Maymester, a 9-week full term and two 4 1/2-week terms.

### GRADUATION 2020

The 2020 Graduation Ceremony for Fall 2019, Spring 2020 and Summer 2020 graduates is May 1, 2020, 7 p.m., at the North Charleston Coliseum. A mandatory dress rehearsal will be held May 1, 2020, 5 p.m., at the Coliseum. Graduation applications are due Feb. 28, as are cap/gown and invitation/name card orders.

### Attending Class

You will be removed from class if your instructor reports you as never-attended. For online courses, you should log in to D2L for each online course you are taking, initiate course-related communication with your instructor, and actively engage in an academic assignment to be counted as having attended. For hybrid courses, you should attend the class lecture and/or log into each course in D2L, initiate course-related contact with each instructor and actively engage in an academic assignment for each course. For all other courses, you must be physically present in class to be counted as attending.
