On the Cover: Trident Tech offers eligible high school students a unique opportunity to get an early start on their college career with dual enrollment.

It is the policy of Trident Technical College that no discrimination on the grounds of race, color, disability, religion, gender, sexual orientation, age, marital status, veteran status, gender identity, pregnancy, or national or ethnic origin will exist in any area of the college.
Trident Technical College is well known for offering a high-quality education to college students in the tricounty area. What many people may not realize is that Trident Tech offers eligible high school students a unique opportunity to get an early start on their college career with dual enrollment.

Dual enrollment allows high school students to earn college credit while still in high school.

With the permission of their high school or home school association, qualified high school students attending schools in Berkeley, Charleston and Dorchester counties are eligible to enroll in college-level courses at Trident Tech.

Students earn one unit toward their high school diploma for each three-credit hour college course they successfully complete.

Since Trident Tech is a regionally accredited college, most general education dual credit courses transfer to colleges and universities across the nation. Even many of the applied technical dual credit courses may transfer, depending on the college or university.

The college has served high school students through dual enrollment programs for more than 20 years.

Most recently, in fall 2019, a total of 2,360 high school students from 58 local high schools enrolled in college courses at Trident Tech. These students were enrolled in a total of 16,119 credit hours, averaging about 6.8 credit hours per student.

According to Tanisha Hook, dean of School and Community Initiatives at Trident Tech, dual enrollment benefits students in a couple of different ways.

Students who are enrolled in the dual credit program increase their likelihood of future academic success.

“National research suggests that students who receive college credit while still in high school are more likely to graduate from high school, are more likely to continue their education after high school, and have more success during their first official year of college than their peers,” said Hook.

Earning college credit while still in high school can potentially decrease the number of college semesters needed to earn an associate or bachelor’s degree.

“Another benefit to the student is that dual enrollment programs can significantly reduce the time and cost of college because students enroll in college courses that will be applied to their college transcripts,” said Hook. “They leave high school with college credits, giving them greater flexibility as they enter college after high school graduation. We’ve even had students earn enough credits for an associate degree while enrolled in high school.”

For the most part, dual credit opportunities are limited to junior and senior students. Students taking courses for dual credit are responsible for the cost of their tuition and books unless otherwise directed by their high school. Financial aid, including S.C. Lottery-Funded Tuition Assistance, is available for qualifying students.

For more information about dual enrollment, including how to apply and what financial aid is available, please visit www.tridenttech.edu/start/highschool/index.htm or call 843.574.6533.

Applicants to TTC in the categories described below should apply for admission and meet the admission requirements published for nondegree students at TTC.

Transient Student: Attending TTC to transfer credit back to your home institution. Not eligible for financial aid. VA students must have a guest letter. Transient students must also provide course registration approval forms from their home institution.

Audit Student: Enrolling in credit course without earning any credit hours. Audit students do not qualify for financial aid or VA benefits. Audit students must meet course prerequisites and pay full tuition.

Senior Citizen Student: Enrolling as a legal S.C. resident who is 60 years of age or older. Senior citizens using the free tuition benefit may begin registering for classes on the last business day prior to the first day of classes each term up until the first class meeting. Go to the Business office to complete the TTC certification form, and present your S.C.-issued ID or driver’s license.

*Nondegree students may meet the reading proficiency by submitting one of the following: SAT Critical Reading (480) or SAT Evidence-Based Reading and Writing (530); ACT English (19); Classic ACCUPLACER Reading Comprehension (33); Next-Generation ACCUPLACER (205); or COMPASS Reading (42); WIN Learning Reading for Information assessment (Level 4) or WorkKeys Workplace Documents assessment (Level 4); proof of successful completion of a college-level English course; or an approved transient/cross-registration form/letter from another college. Reading test scores are good for five years from testing date. Nondegree students will have to provide evidence that they have completed prerequisites before registering for courses with prerequisites. Nondegree students do not qualify for financial aid.

**To demonstrate proficiency, students graduating from a South Carolina high school within the last five years with a weighted GPA of 3.0 or higher will not need to take the placement test. Otherwise, the college will use one of the additional placement measures as described in Part 2 of the admission application (inserted after page 12 of this publication) to determine proficiency.

Note: Admission requirements are subject to change.
Step 1: Admissions – Student Email

TTC student email accounts are set up within 10 days after you submit an admission application. To access your account, go to my.tridenttech.edu. TTC uses the my.tridenttech.edu portal email as the official communication system to send information to students such as:

- Financial aid status
- Emergency closings
- Calendar updates

- Veterans information
- Password changes for online registration (TTC Express)
- Student events
- Registration information
- College announcements
- Confirmation of online payment of tuition and fees

This free email service is available to all applicants and enrolled students. The college will often send information to your email account instead of mailing you a letter via U.S. mail.

Call 843.574.6999 to get help for login/online services including my.tridenttech.edu, student email, TTC Express (online registration) and D2L (online and face-to-face courses).

Step 1: Admissions – Decisions About Your Major

If you declare an undecided major, a college counselor is your advisor. An undecided major means you have not yet chosen an academic program, or you are unsure about earning either a certificate, diploma, associate or four-year degree, or you have not yet chosen a career field. Your counselor will advise you about courses to take until you select an academic program.

If you select your academic program major, your TTC counselor will refer you to the appropriate department to receive the name of your academic program advisor.

If you have declared a major (any certificate, diploma or degree program) but remain uncertain about some of your academic, career and/or college goals, contact Counseling and Career Development Services at one of the following offices for assistance in determining your academic, career and/or college goals.

Thornley Campus, Student Center, Bldg. 410/Rm. 210, 843.574.6131
Berkeley Campus, Student Success Center, Rm. 111, 843.899.8079
Palmer Campus, Student Success Center, Rm. 226, 843.722.5516
Mount Pleasant Campus, Reception Area, 843.958.5810
TTC Online College - www.tridenttech.edu

Please Note: You must declare a major to be eligible for S.C. lottery-funded tuition assistance.

Step 1: Admissions – Placement

Do I Need to Take a Placement Test?

New students entering Trident Technical College will be placed into courses using the following measures.

GPA: Students graduating from high school within the last five years with a weighted GPA of 3.0 or higher will not need to take the placement test and will be eligible to enroll directly into college-level courses. Students can provide a final, official high school transcript during the admission process. If a final, official transcript is not available, or if the weighted GPA is lower than 3.0, the college will use one of the placement measures below to determine whether the student can register for college-level courses or if he or she will need to take one or more developmental courses.

SAT or ACT: Students can have official score reports of SAT or ACT scores sent to Trident Tech. Scores are valid for five years from the date of testing. Qualifying SAT/ACT scores are listed on the admission application (inserted after page 12).

TTC Placement Test: Students who cannot show qualifying high school weighted GPA or SAT/ACT scores will need to take the Next-Generation ACCUPLACER placement test at one of the four Trident Technical College campuses. You may schedule a TTC placement test at any campus by calling Testing Services (see page 2). Next-Generation ACCUPLACER writing and reading scores are valid for five years from the date of testing; math Next-Generation ACCUPLACER scores are valid for two years.

Before the Test

Prior to testing, brush up on your skills, especially basic math. Download the FREE Next-Generation sample questions and the FREE Next-Generation ACCUPLACER study app at https://accuplacer.collegeboard.org/student/practice.

After the Test

If your TTC placement test scores do not meet your program’s required scores in English, math or reading, TTC’s Developmental Studies courses will help you improve your skills before you start your program of study.

Credit by Examination

Get credit for out-of-college experience. TTC offers the CLEP and DANTES (DSST) examinations. Both are national systems of credit-by-examination. Call Testing Services at 843.574.6438 for more information and to schedule a CLEP or DSST examination on Thornley Campus or call 843.722.5516 to schedule on Palmer Campus.

Step 2: Financial Aid (continued on next page)

What Types of Financial Aid Are Available?
You must be an eligible degree-seeking student to receive financial aid. Financial aid can be split into two main categories: financial aid that requires you to complete a FAFSA and financial aid that does not require a FAFSA. Because some scholarships require a FAFSA for consideration, a FAFSA is highly recommended. The FAFSA is available online at www.fafsa.gov.

Note: If you are a nondegree or undecided student, you are not eligible to receive any kind of financial aid.

*You are not required to complete the FAFSA to receive only S.C. lottery-funded tuition assistance if you meet certain additional eligibility requirements. You must complete a S.C. Lottery Tuition Assistance Waiver to see if you are eligible. This waiver and additional information can be found at TTC’s website, www.tridenttech.edu. However, if you do not complete the FAFSA, you will not be eligible to receive any Title IV financial aid, federal student loans and most state-based grants. More information about federal and state aid programs can be found on TTC’s website, www.tridenttech.edu/financialaid.htm.

When Will I Get My Refund Check?

There are two financial aid refunds in each semester for students receiving financial aid assistance, at the beginning of Term 1 and Term 2. The refund amount will be pro-rated per term, based on credit hours and other factors. Enrollment determines when students can receive refunds for certain kinds of aid. Some students may not receive a refund for Term 1 and Term 2. In addition, students attending only Maymester may also receive a refund based on hours taken in Maymester.

You will be issued a refund for any excess amount after Drop/Add for each term, depending on your enrollment. (For direct deposit, see page 18.) To be eligible, you must:

• have sufficient funds to cover your tuition and any books or course materials charged to your student account,
• complete your share of financial aid processes within the date periods on pages 4, 6 and 8,
• have met financial aid standards of academic progress, and
• not have a balance in a prior semester.

Refund check release dates will be posted in the my.tridenttech.edu student portal. TTC releases refunds approximately three weeks after the start of the term.

Financial Aid Self-Service

Financial Aid Self-Service guides you through the entire financial aid process online. Access it through your student portal.

S.C. LIFE Scholarship

The S.C. LIFE Scholarship covers up to $2,350 for tuition costs with a $150 book allowance in both the Fall and Spring semesters at a two-year college. To qualify, you must:

• Be a S.C. resident.
• Graduate from a S.C. high school with a minimum cumulative GPA of 3.0 based on the S.C. uniform grading policy.
• Submit official S.C. high school transcripts to TTC’s Admissions office.
• Complete a S.C. LIFE Scholarship affidavit.

For more information, visit www.tridenttech.edu and search for “LIFE Scholarship.” Students receiving a waiver of tuition will not be issued a tuition refund.

How Do I Get a Student Loan?

• TTC includes pending student loans in the award packaging process.
• You must log in to your Financial Aid Self-Service account and either accept or reject your loan offer.
• Be sure you have completed the following forms:
  • Master Promissory Note: www.studentloans.gov
  • Entrance Counseling: www.studentloans.gov
  • Student Loan Borrower Information Form in Financial Aid Self-Service
• You must be enrolled in at least six eligible credit hours required for your program of study and meet all other eligibility requirements.
Step 2: Financial Aid

Financial Aid Tips

- **Apply for financial aid online.** Approval is often sent in two to three weeks. Corrections are easy to make, too. Go to www.fafsa.gov.
- **Apply for financial aid every year.** To continue receiving financial aid, reapply each academic year. The FASFA website opens in October each year for the following Fall Semester and academic year.
- **Apply for financial aid early.** It can take several weeks to get approval.
- **You will not receive funds until you complete all admission requirements and register for courses, the Drop/Add period has ended and Never Attended report has been completed with financial aid accounts updated.**
- **Financial aid pays only for classes required for graduation in your declared major.** Nondegree and undecided students are not eligible to receive financial aid. Financial aid will not pay for previously passed courses that you are repeating for the third attempt.
- **Meet the Satisfactory Academic Progress (SAP) standards** to continue receiving aid. For more information, go to my.tridenttech.edu.

Veterans Services

**VETS Center and Using GI Bill Benefits**

The VETS Center will assist veterans, spouses and dependents in applying for and understanding their GI Bill benefits. VETS Center staff will explain the application process. They also provide referrals to other campus services.

The VETS Center is a quiet place to study with other veterans. You can get help using the computer and navigating TTC’s portal and D2L. There is access to computers, internet, printing and space for tutoring.

The Thornley Campus VETS Center is in Bldg. 700/Rm. 106. Call 843.574.6870 for more information.

The VETS Center at Palmer Campus is located in Bldg. 410/Rm. 102 on Thornley Campus. This office processes your request for VA certification.

**Here are some common VA questions:**

**How do I get Chapter 33 housing allowance?**

Chapter 33 students must be enrolled greater than half time to be eligible for a housing allowance. They may also have at least one course in-seat per term.

**Are there other benefits for students who are dependents of a veteran?**

Children of veterans who are 100% disabled or who were killed during military service or receive a Medal of Honor may be eligible for benefits. Contact the TTC VA office or VETS Center.

**Can I take a class that is not in my program of study and still receive my benefits?**

No. VA only allows payment for the courses required for graduation and certified to the VA in your program of study. Ask a VA representative about Rounding Out during your last semester.

**How do I withdraw from a class?**

An official withdrawal must be completed through the portal or in person at the Registrar’s office. Notify the TTC VA office of the withdrawal.

**How do I maintain my benefits?**

To continue receiving GI Bill benefits through certification, you are required to meet the Standards of Academic Progress. VA will be notified of academic probation and suspension status. Complete a VA request form every semester. Review the academic policy regarding all Standards of Academic Progress (SAP).

**I'm a veteran but not a S.C. resident. Do I qualify for in-state tuition?**

Maybe, based on Section 702 of the Choice Act, if you are receiving benefits under Chapter 30 or 33 (show certificate of eligibility).
Step 3: New Student Orientation

A Navigate to Success session is vital to your academic success, and students are expected to attend. After the session, you will meet a Navigator or you will be assigned an academic advisor for your major, and you will learn about TTC and its services. This information will help you achieve your educational goals and have a positive experience at TTC.

You don't have to wait for acceptance to TTC. You may meet with a Navigator as soon as TTC processes your application (about five days after you submit your application and have test scores in TTC's computer system or with you in a printed format).

For assistance to attend a session, please visit one of the campuses during office hours, call or search Orientation on www.tridenttech.edu. No appointment is necessary.

If you are unable to attend a session in person or are taking online courses, please visit the my.tridenttech.edu portal for the link to Orientation.

Public Safety Services

Public Safety Officers

TTC employs state constables who are trained and certified police officers for the state of South Carolina. The Public Safety officers enforce all federal, state and local laws as well as the policies and procedures of the college. TTC's Department of Public Safety shares concurrent jurisdiction with state and local law enforcement agencies.

Public Safety Services

The Jeanne Clery Disclosure of Campus Policy and Campus Crime Statistics Act requires TTC to collect and report crime statistics for crimes committed on campus, on-campus building or property, and public property reasonably contiguous to all campuses. The college policies and procedures relating to campus security and the annual crime statistics are published on Public Safety’s website, www.tridenttech.edu/publicsafety.htm.

In accordance with the S.C. Campus Sexual Assault Information Act, a copy of TTC’s sexual assault policy is available in the office of the vice president for Student Services (Thornley Campus, Bldg. 410/ Rm. 220) and the director of Human Resources (Thornley Campus, Bldg. 940).

Rape Aggression Defense (R.A.D.) classes are offered throughout the year for female faculty, staff and students 16 years old and older. For more information, call Public Safety at 843.574.6053 or visit www.tridenttech.edu/publicsafety.htm.

While the college makes considerable efforts to ensure the safety and security of everyone on campus, it is your responsibility to take precautions to protect yourself. Whenever a threat to students is determined, college officials will notify students in a timely manner to help you become aware and protect yourself.

Think and practice crime prevention. Report any crimes or emergencies to Public Safety immediately by calling 843.574.6911 (6911 from a campus phone).

Non-emergency calls should be placed to 843.574.6053. Call boxes in parking lots may be used for emergency or non-emergency calls to Public Safety.

TTC Emergency Alert System (EAS)

TTC’s EAS is used to quickly communicate with students during a crisis. To have alerts sent to your mobile device, landline telephone or personal email address, visit the my.tridenttech.edu student portal, click on TTC EAS under TTC Bookmarks, and follow the directions to register. (Students are automatically registered to receive alerts at their my.tridenttech.edu email account.) EAS alerts are also posted on Trident Tech’s website (www.tridenttech.edu), portal, Twitter and Facebook. Audible and/or text alerts can be sent to campus telephones located in classrooms, hallways and offices. Alerts are also recorded on the EAS Student Infoline, 843.574.6262, ext. 9091. A toll-free Infoline, 877.869.7736, is activated when conditions warrant. The college also sends alerts to local news media.

Online Registration
Am I eligible to register online?
Most currently enrolled students who are in good financial and academic status can register online through the student portal, my.tridenttech.edu, in TTC Express or Navigate. The following students are NOT eligible to register online:
• High school students, students on academic suspension or returning from suspension
• Students who owe college fees or Library materials
• Undecided students

How do I register online?
Go to my.tridenttech.edu (the student portal). You can find information about how to log in as well as instructions for changing your password. You use the same username and password to access my.tridenttech.edu for email, TTC Express, Navigate and D2L coursework. Once logged into TTC Express or Navigate, you can register for classes and access other information. See below for a step-by-step registration guide.

What is Express Registration?
Choose Express Registration in TTC Express if you know the exact subject, course number and section number of your classes.

What is search and registration?
If you don’t know exactly what section you want to take, choose the search and registration option. TTC Express has a search function that allows you to look for courses in a way that makes sense for you. You can search by campus, day, time, term, instructor, subject, course number or other parameters.

Does TTC Express recognize prerequisites?
As you register for classes, the system automatically checks for course prerequisites. If you have not taken a required prerequisite, you will not be able to register for the course. In addition to the course prerequisites listed in the Catalog, many courses have a reading prerequisite that must be satisfied before registering for a course. Students may satisfy the reading prerequisite in different ways, including scores on a TTC placement test, SAT or ACT, or a transcript from another college showing credit.

Can I print a class schedule?
After you register, you can view and print your class schedule anytime. Be sure to choose the appropriate term from the drop-down menu.

What else can I do online?
You can check the balance due on your account, pay tuition and fees, and conveniently add, drop or withdraw from classes with TTC Express. With the grade feature, you can see your grades as soon as they are posted as well as review your GPA. You can view transcripts and check your financial aid status online as well as change address and phone information.

Step 5: Pay Your Tuition

2020-2021 Tuition and Fees

2020-2021 tuition and fees will be published at www.tridenttech.edu.

Tuition is subject to change.

Each student must pay a registration fee per semester.

Certain courses have an additional required fee. See www.tridenttech.edu > Pay for College > Tuition and Payment.

Residency

TTC determines residency at the time of admission based on S.C. law and Commission on Higher Education regulations at www.che.sc.gov. Documents are required for proof of residency. To resolve your residency status, contact the Admissions office before registering. You must submit a Change in Residency Status form to the Admissions office by the last business day before your first term begins.

A dependent student seeking classification as a South Carolina resident will not be automatically disqualified from receiving in-state tuition because of the citizenship or immigration status of their parent(s) or guardian(s). Staff shall advise students that the immigration or citizenship status of a student’s parent(s) or guardian(s) will not automatically disqualify them from receiving these benefits. For U.S. citizen students with undocumented parents or guardians, state-issued identification documents and other typical indicia of residency may not be available to the parents. In such cases, staff should work with the student to obtain alternate proof of the parents’ residence and domicile in South Carolina, including but not limited to the other documents listed in S.C. Code Reg. § 62-605(C), as well as utility bills, lease documents, medical and school records, and other records that may indicate domicile. No particular document or combination of documents shall be conclusive in every case; rather, in all cases, regardless of the citizenship or immigration status of the parents or guardians, staff shall endeavor to determine whether South Carolina is the true, fixed, principal residence and place of habitation as set in S.C. Code Ann. §59-112-10(D), based on the information and documentation submitted by the student. In all cases, the student has the burden of proving fulfillment of the requirements for in-state tuition and attendant benefits.

Payment Procedures

Payment must be received in the Business office and balance paid in full or you must be enrolled in a payment plan by published deadlines (see pages 5, 7 and 9). If payment is not made, or if you are not enrolled in a payment plan by the due date, you may not be allowed to register for a future semester or receive a transcript, or your future semester registration may be cancelled. To verify your tuition balance, go to the my.tridenttech.edu portal. Once you log into your account, choose the Self-Service link.

Drop/Add: If you officially drop your course(s) during Drop/Add, you will receive a 100% refund of tuition. See refund information (page 13). TTC releases refunds approximately three weeks after the start of the term.

Payment Options

In person: Pay in person at one of TTC’s Business offices at Thornley, Berkeley, Palmer or Mount Pleasant campuses.

Online/Payment Plan: Use the my.tridenttech.edu portal to pay online or set up a payment plan. For more information about the payment plan, visit TTC’s website or call 843.574.6124 or email BusinessOperations@tridenttech.edu.

By mail: At least five days before the fee payment deadline, mail your check to Trident Technical College, Attn: Business Office (BO-M), P.O. Box 118067, Charleston, S.C. 29423-8067. Your check must be in the Business office by the fee payment deadline and include the student’s ID number.

Payment Methods

Credit Cards: You can use VISA, MasterCard, Discover or American Express in the Business offices and bookstores on all four TTC campuses and in the my.tridenttech.edu portal. When paying by credit card in person, you must have a valid picture ID and your name must be on the credit card.

Checks: When paying in person by check, you must have a picture ID.

Financial Aid: You will receive an electronic award letter through your TTC Financial Aid Self Service account (http://bit.ly/FA_Self_Service) for any financial aid you are eligible to receive. The award is based on full-time enrollment and will be adjusted if you enroll in fewer than 12 hours. Your awards may cover all or a portion of your tuition costs. If your financial aid does not cover all of your tuition, you must pay the difference by the registration payment deadline.

If you are applying for veterans benefits, you must submit an enrollment form for each semester. This may be done electronically through your my.tridenttech.edu account.

Third-Party Sponsor: If an employer or sponsoring agency is paying your tuition, you must turn in to the Business office signed authorization for tuition and fees by payment due date. Written authorization must be submitted each semester.

Refunds and Withdrawal Policies

It is your responsibility to officially drop or withdraw from courses. Failure to do so will result in the grade you earn being listed on your permanent academic record. You can withdraw online or contact the Registrar’s office for course withdrawal assistance. The refund policy is subject to change without notice. If you withdraw from a course, you will be responsible for full tuition and related fees for that course.

Fees paid by VISA, MasterCard, Discover or American Express may be refunded to the credit card used for payment. Financial aid refunds are made in accordance with federal Title IV regulations.

Financial aid recipients, please note that if you withdraw completely, you may owe money back to the federal government and TTC based on the Return to Title IV calculation requirements.

Electronic direct deposit available for student refunds: To have your refund check deposited directly into your bank account, sign up for Electronic Student Refund Checks. To register, go to the My Account and Payment Information menu in my.tridenttech.edu and select ‘Bank Information for Electronic Student Refund Checks.’ Enter your bank routing number and your personal bank account number. Please allow up to two business days for your financial institution to credit your account after TTC sends out checks. Questions? Please email refunds@tridenttech.edu.

Returned Check Policy

If your check to the college is returned for insufficient funds, you have 10 days to make full repayment including a service charge (in accordance with current law). You must pay by money order, cash or credit card in the Business office.

Important

You will NOT receive a bill for tuition and fees via U.S. mail. Check your account by the Self-Service link on the portal.
Attend Class

TTC Online College

TTC offers a variety of nontraditional course delivery methods designed to make college classes available to individuals who, for a variety of reasons, may not be able to attend traditionally scheduled classes. TTC Online College offers a totally online educational experience. Please visit www.tridenttech.edu/academics/online/.

D2L Access

Students gain access to D2L approximately one week before the first day of class. During this time, you can check your D2L email and the My Home Announcements, and watch D2L student tutorial videos. Students gain access to D2L courses at 1 a.m. the day before the term starts. Click on the envelope icon (Email Alert) in the top white banner to read D2L emails that your instructors may have sent. Also please read and follow any directions outlined in the Course Announcements widget per each course. You can access D2L from my.tridenttech.edu.

Hybrid Courses

Hybrid courses combine traditional classroom learning with online instruction and/or other media. Because the classroom time is significantly less than that required in a traditional course, hybrid courses offer a convenient alternative for some students.

The amount of material covered in a hybrid course is the same as that in a traditional course. The difference is that a substantial portion of the coursework is completed outside of the classroom, using web-based instruction or other forms of media.

Course Format

TTC has two 7-week terms and one 14-week term for Fall and Spring semesters. Wintermester is 3 weeks. Summer Semester includes a 3-week Maymester, a 9-week full term and two 4 1/2-week terms.
