#### **Other Information**

In order to graduate, students must complete a 150-hour field placement covering one semester. Assignments for the field placement exist in mental health, youth services, social services, eldercare, corrections, disabilities, rehabilitation, addiction and other human services.

Students must meet the receiving field placement agency screening requirements, such as the South Carolina Law Enforcement Division (SLED) background check, prior to field placement assignment. Requirements will differ based on specific site policies.

#### **Admission Requirements**

Admission into this program requires proof of high school graduation (or GED) and qualifying placement levels.
