

TRIDENT TECHNICAL COLLEGE

Surgical Technology Program Associate in Applied Science

Applicants will be admitted to this program on a “first-qualified, first-admitted” basis. Applicants are considered qualified for admission to the next available class when they meet **all** TTC and program requirements. Classes begin **Fall Semester**.

Program Admission Requirements

In addition to meeting the college’s general admission requirements, including submission of official high school and college transcripts, applicants must complete all of the following requirements:

1. Complete the **Health Sciences Application**. Application link can be found on the TTC Health Sciences webpage.

Note: When the number of applicants qualifying at the same time exceeds space available in the program, admission will be prioritized according to the date and time that the Health Science application was received by the Health Sciences Admissions Coordinator.

2. Complete BIO 210 Anatomy and Physiology I and AHS 104 Medical Vocabulary/Anatomy with a minimum grade of C. Both BIO 210 and AHS 104 must be completed within five years of the program start date.
3. Achieve a minimum cumulative 2.5 GPA in the above required prerequisite courses (BIO 210 and AHS 104).
4. After submitting the Health Sciences Application, the student will receive details in their Trident Tech email from the Health Sciences Admissions Coordinator regarding the Information Session and quiz. Students must achieve a 100% score on the online quiz following the session to verify the information was reviewed and understood.
5. Submit a Statement of Completion form online. The link to the form can be found on the Health Sciences webpage.

Trident Technical College is an equal opportunity institution and does not discriminate on the basis of race, color, religion, national or ethnic origin, disability, gender or age in its admissions policies, programs, activities or employment practices.
