

Dental Hygiene Program Associate in Applied Science

Applicants will be admitted to this program on a “first-qualified, first-admitted” basis. Applicants are considered qualified for admission to the next available class when they meet **all** TTC and program requirements. Classes begin **Fall Semester**.

Program Admission Requirements

In addition to meeting the college’s general admission requirements, including submission of official high school and college transcripts, applicants must complete all of the following requirements:

1. Complete the **Health Sciences Application**. Application link can be found on the TTC Health Sciences webpage.

Note: When the number of applicants qualifying at the same time exceeds space available in the program, admission will be prioritized according to the date and time that the Health Science application was received by the Health Sciences Admissions Coordinator.

2. Complete BIO 210 Anatomy and Physiology I, BIO 211 Anatomy and Physiology II, BIO 225 Microbiology, and CHM 105 General Organic and Biochemistry.
 - a. These courses must be completed with a minimum grade of C.
 - b. These courses must have been taken within five years of acceptance into the program.
 - c. The applicant must achieve a minimum 2.5 GPA in the four required science courses listed above.
3. After submitting the Health Sciences Application, the student will receive details in their Trident Tech email from the Health Sciences Admissions Coordinator regarding the Information Session and quiz. Students must achieve a 100% score on the online quiz following the session to verify the information was reviewed and understood.
4. Submit an Observation Form to HealthSciencesAdmissions@tridenttech.edu documenting a minimum of 15 hours of observation of a licensed dental hygienist working in a dental practice. The applicant is responsible for the observation experience. Forms may be found on the TTC Health Sciences webpage.
5. Submit a Statement of Completion form online. The link to the form can be found on the Health Sciences webpage.

Accreditation – The Dental Hygiene Program at Trident Technical College is accredited by the Commission on Dental Accreditation (CODA), 211 East Chicago Avenue, Chicago, IL 60611-2678; telephone: 1-800-621-8099, extension 4653; website: <https://www.ada.org/en/coda>.

Trident Technical College is an equal opportunity institution and does not discriminate on the basis of race, color, religion, national or ethnic origin, disability, gender or age in its admissions policies, programs, activities or employment practices.
