

Medical Assisting Program Associate in Applied Science

The Associate Degree in General Technology – Medical Assisting is a completion program for students who hold a diploma in Medical Assisting. Students who already hold this diploma should consult with the program advisor.

Applicants will be admitted to this program on a “first-qualified, first-admitted” basis. Applicants are considered qualified for admission to the next available class when they meet **all** TTC and program requirements. Classes begin **Summer Semester**.

Program Admission Requirements

In addition to meeting the college’s general admission requirements, including submission of official high school and college transcripts, applicants must complete all of the following requirements:

1. Complete the **Health Sciences Application** through the TTC Portal. Application link can be found on the TTC Health Sciences webpage.

Note: When the number of applicants qualifying at the same time exceeds space available in the program, admission will be prioritized according to the date and time that the Health Science application was received in the Admissions office.
2. Complete AOT 105 Keyboarding or high school keyboarding with a minimum grade of C. Contact the Medical Assisting Program faculty regarding keyboarding options.
3. Achieve a minimum cumulative 2.0 GPA at the time of acceptance and at date of entry into the program based on classes taken within 5 years of acceptance into the program.
4. Complete the Information Session on the TTC Portal page for Medical Assisting and achieve a score of 100% on the online quiz following the session to verify the information was reviewed and understood.
5. Submit a Statement of Completion form found on the Health Sciences webpage to HealthSciencesAdmissions@tridenttech.edu.
