

## Medical Assisting Program Diploma in Applied Science

Applicants will be admitted to this program on a “first-qualified, first-admitted” basis. Applicants are considered qualified for admission to the next available class when they meet **all** TTC and program requirements. Classes begin **Summer Semester**.

### Program Admission Requirements

In addition to meeting the college's general admission requirements, including submission of official high school and college transcripts, applicants must complete all of the following requirements:

1. Complete the **Health Sciences Application**. Application link can be found on the TTC Health Sciences webpage.

*Note: When the number of applicants qualifying at the same time exceeds space available in the program, admission will be prioritized according to the date and time that the Health Science application was received by the Health Sciences Admissions Coordinator.*

2. Complete AOT 105 Keyboarding or high school keyboarding with a minimum grade of C. Contact the Medical Assisting Program faculty regarding keyboarding options.
3. Achieve a minimum cumulative 2.0 GPA at the time of acceptance into the program based on classes at your most recently attended institution taken within 5 years of acceptance into the program.
4. After submitting the Health Sciences Application, the student will receive details in their Trident Tech email from the Health Sciences Admissions Coordinator regarding the Information Session and quiz. Students must achieve a 100% score on the online quiz following the session to verify the information was reviewed and understood.
5. Submit the Statement of Completion form online. The link to the form can be found on the Health Sciences webpage.
