MYAPPRENTICE

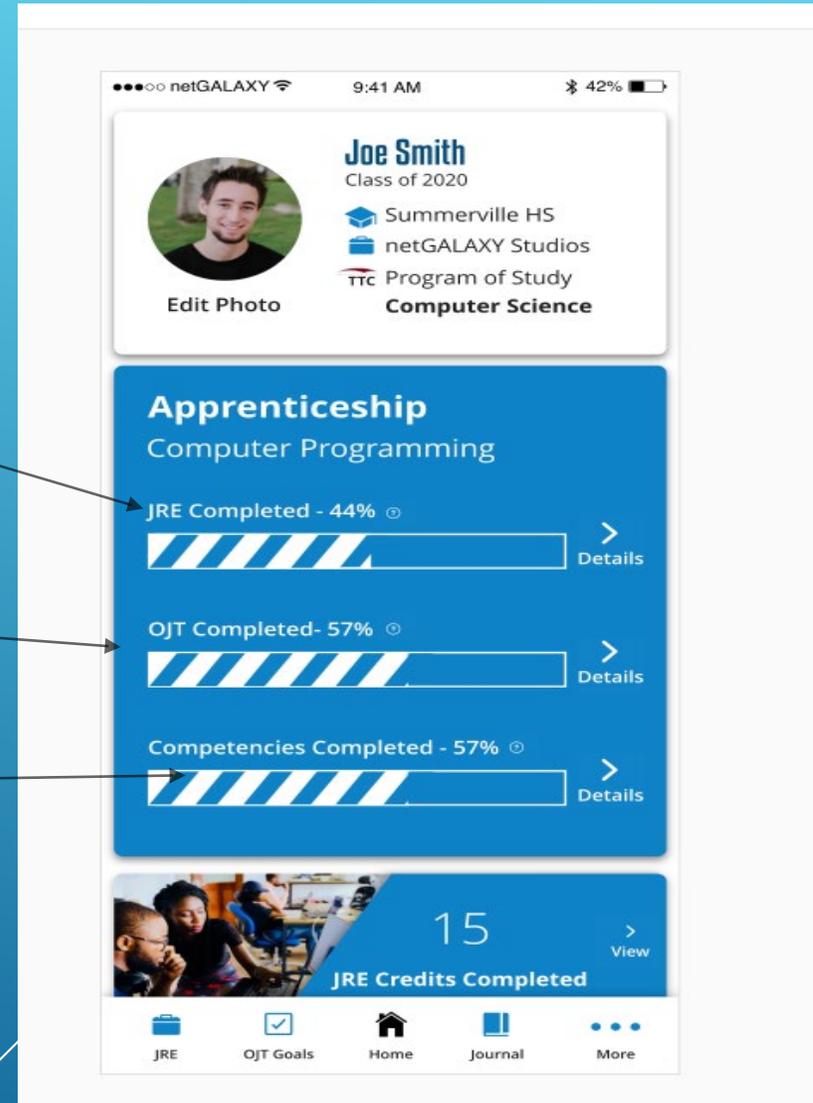

Welcome to MyApprentice, an APP designed to help apprentices understand their apprenticeship program requirements, document their achievements and easily provide accessible information to their employers in order to manage their progress and evaluate their performance for successful completion.

The three apprenticeship requirements that MyApprentice helps the apprentice track and document are as follows:

1. Completion of Job Related Education  
(Trident Technical College Courses)

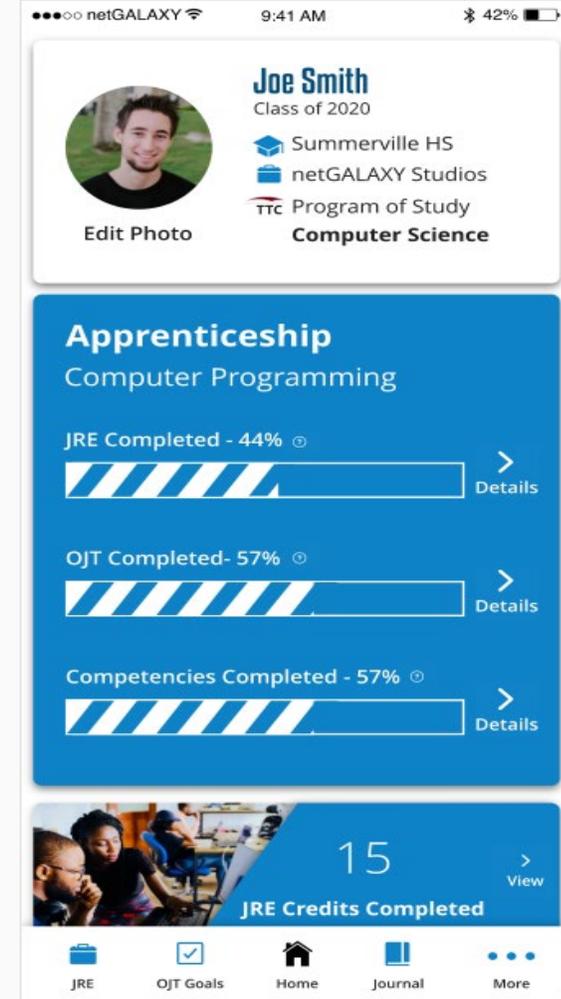

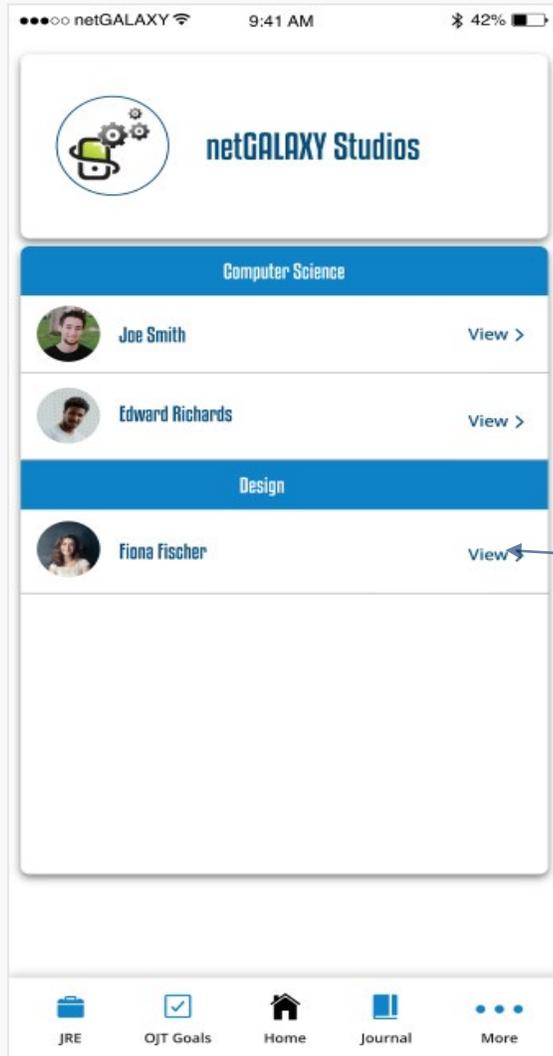

2. Hours completed on the job

3. Tasks required to be completed  
on the job

# MYAPPRENTICE ALLOWS EMPLOYERS TO TRACK THE NUMBER OF HOURS THEIR APPRENTICES WORK ON THE JOB

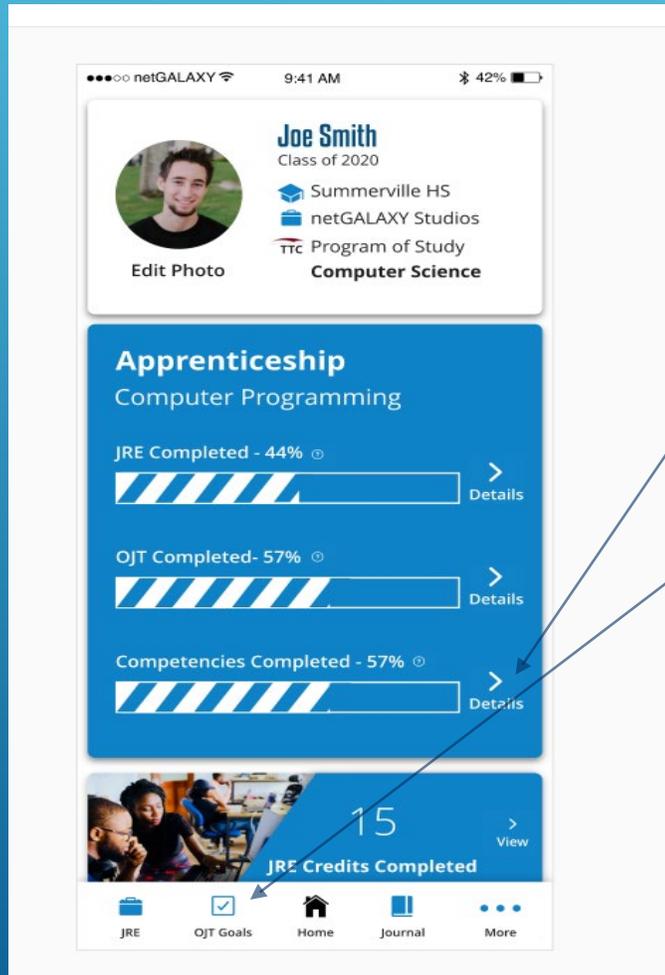

Step 1: Click Details

Step 2: Click View

# MYAPPRENTICE ALLOWS EMPLOYERS TO TRACK HOW MANY REQUIRED TASKS THE APPRENTICE COMPLETES TOWARDS THEIR APPRENTICESHIP GOALS

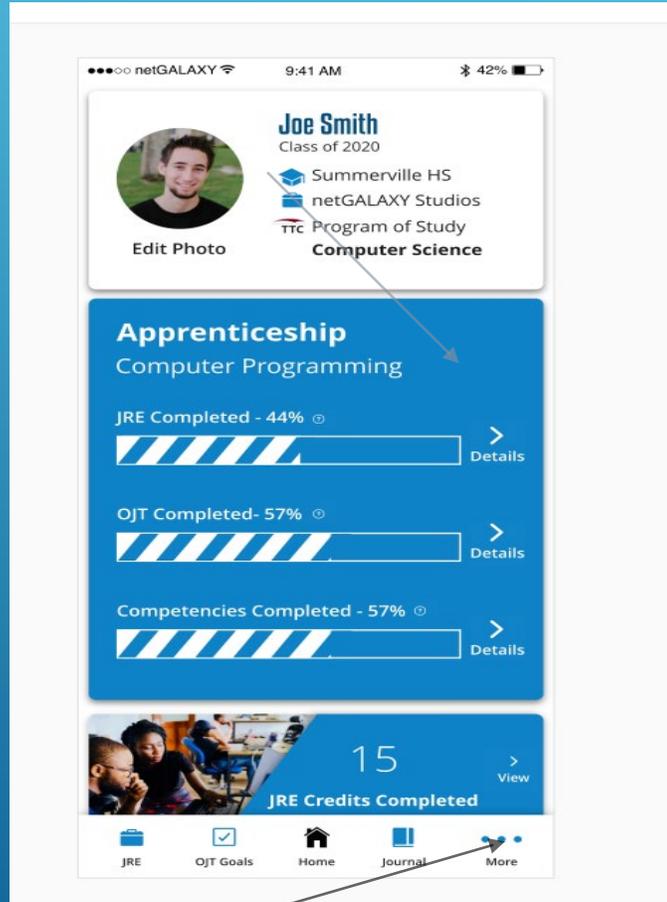

To view required OJT Goals and how many times the apprentice has completed the work process at the jobsite or in lab **click Details or OJT Goals.**

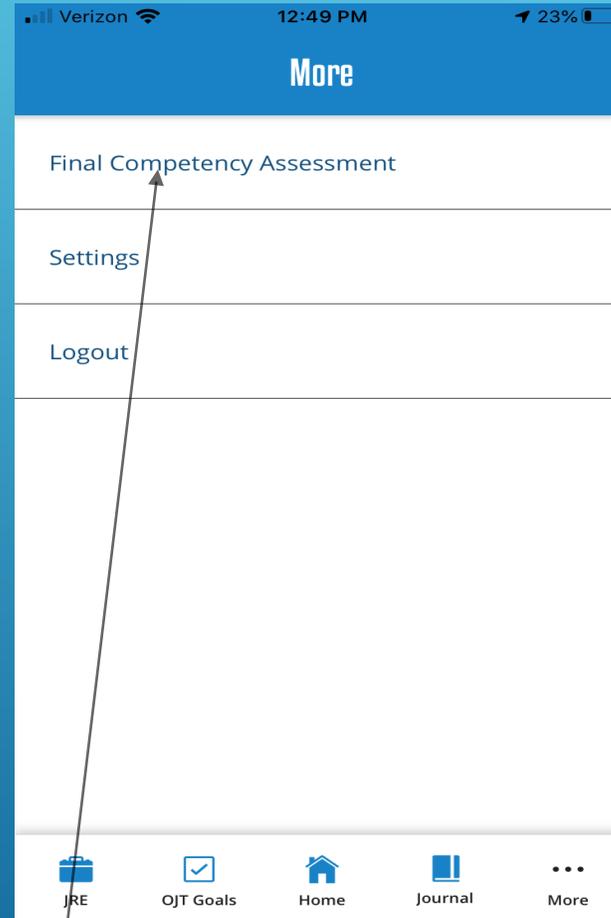

The screenshot shows the 'OJT Competency Goals' screen with a table of tasks. The table has columns for 'Work Process to be Learned', 'Competency', 'OJT', and 'Lab'.

Work Process to be Learned	Competency	OJT	Lab
Current product maintenance	Core	5	
Testing and bug fixing	Core	2	
Run reports, groom backlogs	Core		
Web-based application development	Aux		1
Embedded software development	Core		
Contribute to all phases of the development	Core		
Participate in client meeting	Core	1	

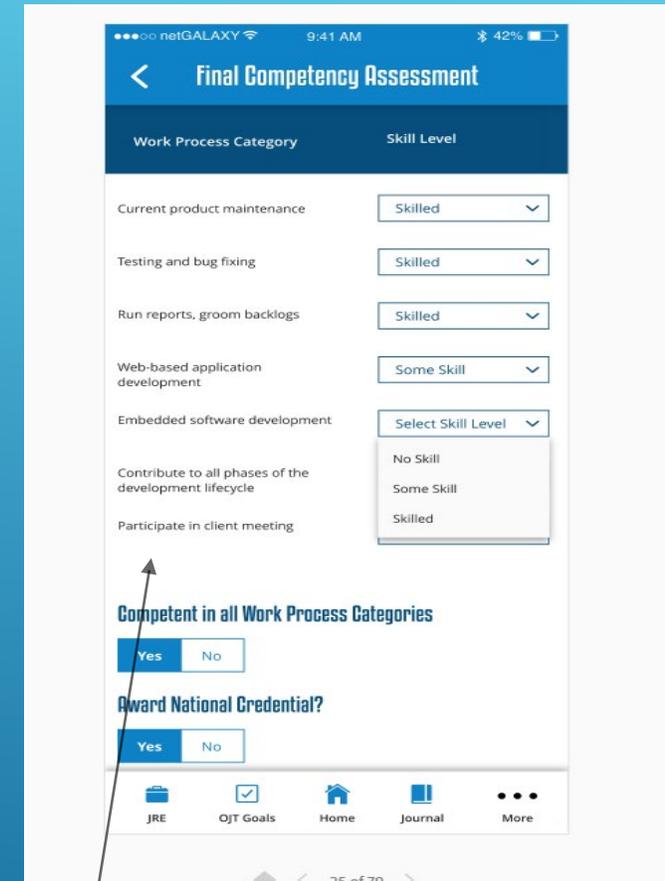

# MYAPPRENTICE PROVIDES EMPLOYERS WITH CONSOLIDATED REPORTING IN ONE PLACE TO ASSESS OVERALL PERFORMANCE AT THE END OF APPRENTICESHIP

Step 1: Click More Icon

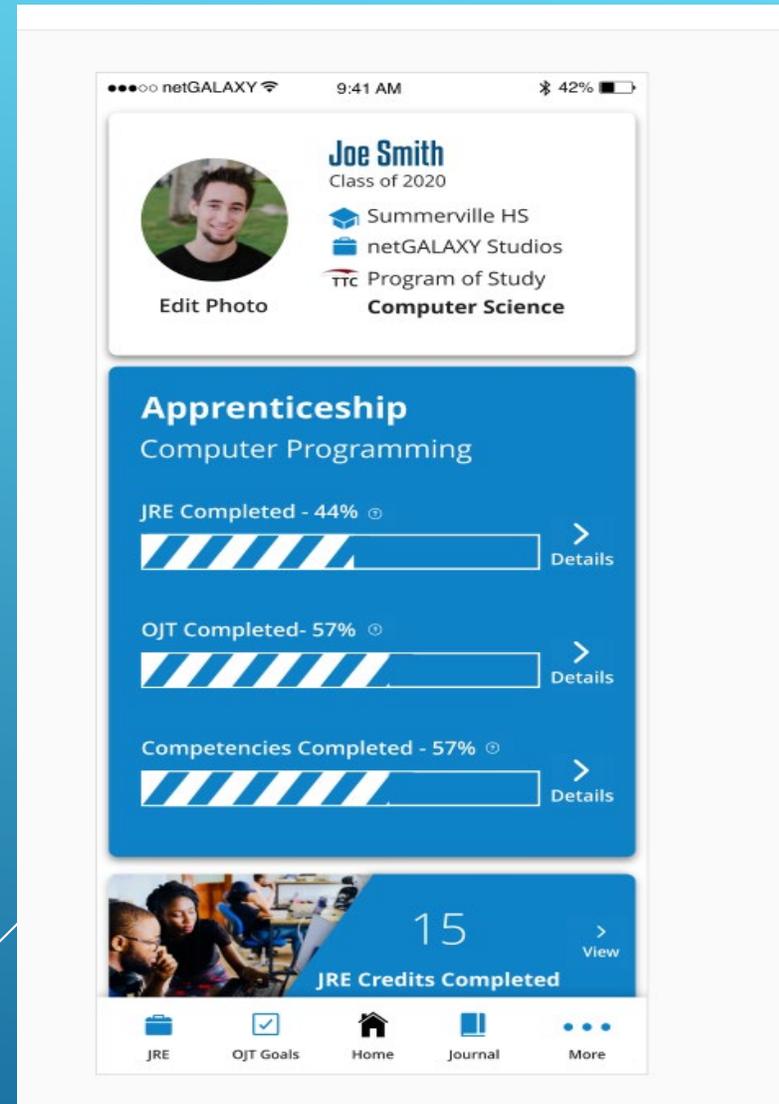

Step 2: Click Final Competency Assessment

View Final Assessment Results

# BENEFITS
