

# Transfer Institutions

5/22/17

Trident Technical College students with appropriate credits and G.P.A. can transfer successfully to most colleges and universities across the United States because TTC is a regionally accredited college. In addition to the general transfer policies that all colleges and universities publish, there are a number of transfer agreements that make transfer to colleges and universities within South Carolina especially efficient. These include statewide agreements and specific agreements targeting specific programs of study.

## **Statewide General Agreements**

Charleston Southern University  
Clemson University  
Coastal Carolina University  
College of Charleston  
Columbia College  
Francis Marion University  
Lander University
