FINANCIAL AID

Complete the Free Application for Federal Student Aid (FAFSA) at fafsa.gov.

- Completing the FAFSA is the key to finding out your eligibility for federal and state financial aid as well as some scholarships. Check www.tridenttech.edu to see if you are eligible for additional tuition funding.
- IMPORTANT: Include TTC's school code 004920 on your FAFSA so Trident Technical College will receive your FAFSA.
- Remember that every October, a new FAFSA is available and must be completed for the next academic year (fall, spring, summer). Complete the new FAFSA early for the best financial aid package.
- After you submit your FAFSA, you will receive a Student Aid Report (SAR) that summarizes the information you provided. Be sure to check it carefully to make sure it is accurate and complete.
- The Financial Aid office may need additional information from you, so check the financial aid self-service in the student portal and respond promptly to requests for information.
- For Spring 2023 and Summer 2023, submit the 2022-2023 FAFSA.
