Trident Technical College (TTC) is conducting market research to gather information for SaaS Computerized Maintenance Management System (CMMS) systems. Primary users of the system will be the College's Facilities department.

TTC is a public, two-year, multi-campus community college that provides quality education and promotes economic development in Berkeley, Charleston and Dorchester counties. TTC is one of the largest institutions in South Carolina, enrolling approximately 12,000 students in credit programs and additional students in multiple non-credit courses. These students have a wide variety of educational goals, including university transfer. TTC further promotes economic development through customized education and training for business, industry and government and a variety of employment training programs. Learn more at www.tridenttech.edu.

The TTC Facilities department is responsible for maintenance and repair of college buildings and equipment at the college's 6 campuses/sites. This consists of over 30 buildings, containing over 2,400 rooms or workspaces including offices, classrooms, kitchens, conference centers, and labs. The combined total building footprint of the college is over 1,363,641 square feet. Facilities provides janitorial services and performs repair and routine maintenance for college vehicles, HVACs, Fire Protection Systems, and generators, just to name a few.

The college's current CMMS provides the following functionality that facilities uses to perform their responsibilities, but is also interested in learning about other CMMS features the college could benefit from:

- Work Order Management
- Preventive Maintenance
- Task Library
- Scheduling
- Building/Space Management
- Contractor Service Management
- Report and Manage Campus Safety issues
- Equipment and Vehicle Management
- Reporting

If you wish to provide information regarding a SaaS Computerized Maintenance Management System (CMMS) systems as a part of this market research, please contact:

Carol A. Belcher, C.P.M., Director of Procurement,
Trident Technical College
