

2019-2020 TTC Catalog

Management - Fire Service

Associate in Applied Science in Management

Fire Service Career Path

69 Credit Hours

The Fire Service career path is designed to help meet the educational needs of fire service employees and provide a foundation of skills necessary for effective leadership. This career path is designed for students who have completed specified training at the S.C. Fire Academy (SCFA) or other approved training program.

Students can earn only one Management degree in a single career path.
