

2019-2020 TTC Catalog

Management - Human Resources

Associate in Applied Science in Management

Human Resources Career Path

63 Credit Hours

The Human Resources career path prepares students for careers in human resources departments of business and governments. Students will study the challenges facing human resources organizations in social and economic environments. This program offers a practical understanding of wages, salaries, hiring and benefit systems.

Students can earn only one Management degree in a single career path.
