

2019-2020 TTC Catalog

Management - Leadership Development

Associate in Applied Science in Management

Leadership Development Career Path

63 Credit Hours

The Leadership Development career path develops leadership skills and provides students with an understanding of the basic functions of management. The program prepares students with a foundation to build personal skills, develop effective work teams, and enhance workplace and individual performance. The program includes a major emphasis in the development of group and individual competencies in effective oral communication skills.

Students can earn only one Management degree in a single career path.
