

# 2019-2020 TTC Catalog

## Horticulture Technology

### Associate in Applied Science

#### 65-66 Credit Hours

The Horticulture Technology program prepares students for positions in landscape design and construction, turf supervision, horticultural sales, nursery plant production and landscape maintenance. Students in horticulture must see an advisor for specific scheduling needs. Classes are taught in the Horticulture Technology building, the greenhouse and horticulture gardens. Some courses will transfer to Clemson University's horticulture program. See your advisor for more information.

#### General Education Core Requirements

ENG 101 English Composition I 3
