Admission Requirements

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

Program Admission Requirements

Upon admission to the College and submission of official high school and college transcripts, complete the online **Health Sciences Application** through the TTC portal. Once the Application is received, complete the following prerequisite steps:

A. Achieve the qualifying scores on the TTC placement test, SAT or ACT; or complete RWR 100 Integrated Transitional Reading and English and MAT 101 Beginning Algebra with a minimum grade of C; or complete the equivalent courses with a minimum grade of C from an approved, regionally accredited postsecondary institution.

B. Achieve a minimum cumulative 2.0 GPA at the time of acceptance and at date of entry into the program.

C. Submit proof of attendance of a mandatory advising session with full-time EMT faculty.

D. Provide proof of CPR, completion of Emergency Medical Technician Certificate program within the past year with scheduled practical and cognitive test dates, or be a current certified Emergency Medical Technician, minimum National Registry with State of South Carolina preferred.
