2019-2020 TTC Catalog

Respiratory Care

Associate in Applied Science in Respiratory Care

81 Credit Hours

Respiratory care is a health sciences specialty that focuses on the treatment, management, control, diagnostic evaluation and care of patients with deficiencies and abnormalities associated with the cardiopulmonary system.

TTC’s Respiratory Care program prepares students for employment as advanced-level respiratory care practitioners. The Respiratory Care program is housed on Main Campus.

Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all college and program requirements. Classes in this program begin Summer Semester.

APPLICANTS MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS

1. **General College Admission Requirements** Achieve admission to TTC by meeting the college’s requirements for associate degree programs. Please note that applicants not achieving appropriate test scores will be required to complete courses indicated by placement test scores.

   *Note: Admission to the college does not guarantee admission to the Respiratory Care program.*

2. **Program Admission Requirements** Applicants should ensure that documentation of each of the following admission requirements is on file in the Admissions office as soon as it is completed. Information may be submitted in person or by mail to:

   Trident Technical College
   Admissions Office, AM-M
   (Student Center, Bldg. 410, Room 110)
   P.O. Box 118067
   Charleston, SC 29423-8067

   Upon admission to the College and submission of official high school and college transcripts, complete the online **Health Sciences Application** through the TTC Portal. Once the application is received complete, the following prerequisite steps:

   a. Achieve qualifying scores on the TTC placement test, SAT or ACT; or complete RWR 100 Integrated Transitional Reading and English and MAT 102 Intermediate Algebra with a minimum grade of C; or complete the equivalent courses with a minimum grade of C from an approved, regionally accredited postsecondary institution.

   Complete BIO 210 Anatomy and Physiology I or equivalent with a grade of C or better. This course must have been taken within five years of acceptance into the program.

   b. Achieve a minimum cumulative 2.75 GPA at the time of acceptance and at date of entry into the program.
c. Complete the online Information Session on the TTC Portal page for Respiratory Care and achieve a 100% score on the online quiz following the session to verify the information was reviewed and understood.

3. **General Admission Procedures for the Respiratory Care Program**

   Applicants who meet college and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Qualified applicants will be notified via my.tridenttech.edu email indicating the year and semester that they have been admitted. Students will be required to provide a completed, current Health Sciences – Student Health Record including all immunizations and titers, TB (PPD) tests, as well as current Healthcare Provider CPR certification, major medical insurance and medical professional liability coverage.

   Students will also be notified by my.tridenttech.edu email the date and time of the mandatory program orientation. Failure to attend will result in forfeiture of seat in the program.

   *Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Respiratory Care program.*

**Course Progression**

To progress to the next Respiratory Care course, students must:

1. Earn a C or better in all courses required for the program.
2. Earn a satisfactory grade of S on all professional development evaluations.
