2020-2021 TTC Catalog

Commercial Truck Driving

Certificate in Applied Science

16 Credit hours

This certificate provides the training necessary to prepare to obtain a Class A Commercial Driver's License (CDL) for the purpose of entering the field of professional truck driving.

Major Requirements

TDR 101 Introduction to Truck Driver Training 5
TDR 102 Fundamentals of Truck Driver Training 4
TDR 103 Preparation for CDL Examination 3
TDR 104 Electronic Logging 1
TDR 105 The Business of Truck Driving 3

Total: 16

Admission Requirements

Admission into this program requires proof of qualifying placement levels. The student must be at least 18 years old, hold a valid SC driver's license, be able to pass a South Carolina Department of Transportation physical and drug screen, and must not be listed as CDL disqualified by the South Carolina Department of Motor Vehicles (SCMDV)*. South Carolina CDL skills testing will be administered by a SCDMV examiner or by TTC's state certified CDL examiner at the Berkeley Campus.

*A motor vehicle record (MVR) that includes your CDL qualification status can be obtained at any SCDMV field office or online at scdmvonline.com.
