Applicants will be admitted to this program on a first-qualified, first-admitted basis. Applicants are considered to be qualified for admission to the next available class when they meet all college and program requirements. Qualified applicants will be notified via my.tridenttech.edu email indicating the year that they have been admitted. Classes for the program begin each Summer semester.

In addition to meeting the college's general admission requirements, including submission of official high school and college transcripts, APPLICANTS TO THE RADIOLOGIC TECHNOLOGY PROGRAM MUST COMPLETE ALL OF THE FOLLOWING REQUIREMENTS:

1. Complete the **Health Sciences Application** through the TTC Portal.
2. Complete MAT 110 College Algebra, BIO 210 Anatomy and Physiology I and BIO 211 Anatomy and Physiology II.
 - a. These courses must be completed with a with minimum grade of C.
 - b. Laboratory science courses must be completed within five years of the program start date.
 - c. The applicant must achieve a minimum cumulative 2.5 GPA in the above required science (BIO 210 and BIO 211) and math (MAT 110) courses.
3. Complete the Information Session on the TTC Portal page for Radiologic Technology and achieve a score of 100% on the online quiz following the session to verify the information was reviewed and understood.
4. Submit the Statement of Completion form online. The link to the form can be found on the Health Sciences webpage.

General Admission Procedures for the Radiologic Technology Program

1. Students will be required to provide a completed, current Health Sciences – Student Health Record including all immunizations and titers, TB (PPD) tests, as well as current Healthcare Provider CPR certification, major medical insurance and medical professional liability coverage.

2. Students will be notified by my.tridenttech.edu email the date and time of the mandatory program orientation. Failure to attend will result in forfeiture of seat in the program.

Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Radiologic Technology program.

Course Progression

In order to progress to the next term/semester once accepted into the program, students must do the following:

1. Earn a grade of C or better in all courses required for the program.
2. Earn a satisfactory grade of S on professional development evaluation.
3. Maintain a minimum 2.0 cumulative GPA throughout the program.
4. Successfully meet a stringent clinical attendance policy.
