## 2023-2024 TTC Catalog - Business Technology

TTC's Business Technology programs are designed to prepare students for entry-level positions in business, industry and government. Responding to the needs of the growing business community, the Business Technology associate degree and certificate programs combine academic theory with hands-on training using state-of-the-art equipment. TTC's associate degree programs in Accounting, Administrative Office Technology, Business Administration, Computer Technology and Management are accredited by the Accreditation Council for Business Schools and Programs.
