Major Requirements

SUR 130 Biomedical Science for the Surgical Technologist 1

Applicants are considered to be qualified for admission to the next available class when they meet all college and program requirements. Qualified applicants will be notified via my.tridenttech.edu email indicating the year that they have been admitted. The program begins Fall Semester of each year.

In addition to meeting the college's general admission requirements, including submission of official high school and college transcripts, applicants to the surgical technology program must complete all of the following requirements.

1. Complete the Health Sciences Application.
2. Complete BIO 210 Anatomy and Physiology I and AHS 104 Medical Vocabulary/Anatomy with a minimum grade of C. Potential students must complete both courses within the previous five years of the program acceptance date.
3. Achieve a minimum cumulative 2.5 GPA in the above-required prerequisite courses (BIO 210 and AHS 104).
4. After submitting the Health Sciences Application, the student will receive details in their Trident Tech email from the Health Sciences Admissions Coordinator regarding the Information Session and quiz. Students must achieve a 100% score on the online quiz following the session to verify the information was reviewed and understood.
5. Submit a Statement of Completion form online. The link to the form can be found on the Health Sciences webpage.

General Admission Procedures for the Surgical Technology Program:

1. Students will be required to provide a completed, current Health Sciences – Student Health Record including all immunizations and titers, TB (PPD) tests, as well as current Healthcare Provider BLS CPR certification, major medical insurance and medical professional liability coverage.
2. Students will be notified by my.tridenttech.edu email the date and time of the mandatory program Failure to attend will result in forfeiture of seat in the program.

Note: Falsification of any information submitted will make a student ineligible for admission to or continuation in the Surgical Technology program.

Course Progression

To progress to the next Surgical Technology term/semester, the student must complete all courses required in the Surgical Technology program with a grade of C or better.
