

# 2018-2019 TTC Catalog

## Management - Leadership Development

## Management - Leadership Development

### Associate in Applied Science in Management

#### Leadership Development Career Path

#### 69 Credit Hours

The Leadership Development career path develops leadership skills and provides students with an understanding of the basic functions of management. The program prepares students with a foundation to build personal skills, develop effective work teams, and enhance workplace and individual performance. The program includes a major emphasis in the development of group and individual competencies in effective oral communication skills.

Students can earn only one Management degree in a single career path.
