Culinary Arts Technology - Sports and Health Nutrition

Culinary Arts Technology - Sports and Health Nutrition

Culinary Arts Technology

Sports and Health Nutrition career path

69 Credit Hours

The Culinary Arts degree program with a career path in Sports and Health Nutrition prepares students for positions as professional cooks, chefs and dietary managers for health care facilities, sports clubs, hospitals and schools. Students will learn how to start and operate their own businesses as personal and private chefs and to develop menus for individuals who have personal dietary needs. Students study both theory and practical kitchen applications to include proper sanitary handling of food and ethical practices of managing a business.

All culinary courses are presented in culinary theory with application in kitchens of the Culinary Institute of Charleston at Trident Technical College. Upon completing the program students can apply for the Dietetic Management certificate and a Sports Nutrition certificate.
