2018-2019 TTC Catalog

Commercial Graphics - Digital Media

Commercial Graphics - Digital Media

Associate in Applied Science in Commercial Graphics

Digital Media Career Path

72 Credit Hours

The Digital Media career path is designed for individuals interested in working in the digital and social media sectors. It is a good choice for students who want to become social media professionals or entrepreneurs in this area. Digital Media students learn the cutting-edge skills necessary for creating and managing social media sites, websites, digital photography, image manipulation, animation, digital video editing, and online communities. They also develop fluency and expertise in the theory, practices and strategies that are essential for success in today's rapidly changing, powerfully influential digital media landscape.

Students can earn only one Commercial Graphics degree in a single career path.
