EMS 108 Advanced Emergency Care II 3  
EMS 115 International Trauma Life Support 1  
EMS 219 Advanced EMS Field Internship II 2

Total: 12

#### Admission Requirements

Admission into this program requires proof of high school graduation (or GED) and qualifying scores on SAT, ACT or the TTC placement test.

#### Program Admission Requirements

Applicants who meet college and program requirements will be considered qualified and will be admitted on a first-qualified, first-admitted basis. Applicants must have completed the Emergency Medical Technician certificate or be a current Emergency Medical Technician. College-approved Anatomy and Physiology (BIO 210) with a grade of C or better within the last five years is also required.

- A. Achieve qualifying scores on the college's placement test, SAT or ACT.
- B. Complete a Health Sciences application for the Emergency Medical Technology program.
- C. Attend an official advising session with a program faculty member.
- D. Provide proof of high school graduation or equivalent by submitting a copy of high school transcript, diploma or GED.
- E. Earn a grade of C or better in all courses required for the program. Laboratory sciences must have been completed within five years of the admission date.
- F. Provide proof of a minimum 2.0 GPA on all college course work by submitting copies of official college transcripts, excluding TTC transcripts, to the Admissions office; or complete 6 semester hours with a minimum grade of C in each course and a cumulative 2.0 GPA.

- G. Provide proof of a minimum 2.0 GPA on all college course work by submitting official copies of college transcripts, other than TTC transcripts, to the Admissions office.
- H. Submit proof of a minimum of 12 hours of observation of an EMT-Paramedic employed by an emergency services agency. The applicant is responsible for arranging the observation time for the Emergency Medical Technician certificate only.
- I. Maintain a minimum cumulative 2.0 GPA and not be on academic or disciplinary suspension at the time of admission and date of entry into the program.
- J. Provide evidence of completion of the criminal background check and drug screen required by the college. EMT faculty will provide information and necessary forms at the advising session.
- K. Provide the TTC program coordinator with a completed, current Health Student Health Record. EMT faculty will provide information and necessary forms at the advising session.
- L. Provide proof of current CPR, EMT-B, and/or EMT-I certifications.
