ACADEMIC REGALIA

The following information is to help our visitors identify the academic regalia seen in the commencement procession.

Academic dress originated at universities in the Middle Ages when a warm gown and hood were necessary in unheated buildings. For centuries these gowns distinguished students from their fellow citizens; sometimes this distinction in dress symbolized unfortunate controversies between “town and gown.” The European habit of using academic robes came to this country in the 18th century with the founding of what is now Columbia University. In 1895, American universities and colleges standardized their styles of academic costume, and this system, with occasional modifications, is still in force. Today the various colors, trimmings and patterns of gown, hood and cap are all traditional and symbolize both degree and field of learning.

GOWNS: American academic gowns are usually of black material, and their pattern varies with the degree held. Bachelor’s gowns are relatively simple in design with a closed front and long, pointed, open sleeves. Master’s gowns have an open front with long, closed sleeves, the arm extending through a slit at the elbow, giving the appearance of short sleeves. Doctoral gowns are the most elaborate, with velvet panels down the open front and three velvet bars on the bell-shaped sleeves.

CAPS: A square mortarboard is the approved headgear. The tassel, fastened to the middle point of the top of the cap, is black or the color appropriate to the subject; it may be gold if the holder has a doctorate.

The following is a list of the hood and tassel colors that represent various categories of learning:

Agriculture	Maize
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry.....	Lilac
Economics	Copper
Education	Light Blue
Engineering.....	Orange
Fine Arts	Brown
Forestry.....	Russet
Journalism	Crimson
Law	Purple
Library Science	Lemon
Medicine	Green
Music.....	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy.....	Olive Green
Philosophy.....	Dark Blue
Physical Education	Sage Green
Public Administration	Peacock Blue
Public Health	Salmon Pink
Science	Golden Yellow
Social Work	Citron
Theology or Divinity	Scarlet
Veterinary Science.....	Gray

All hoods are edged with one of the above colors. These same colors may be used for the facing and sleeve bars of doctoral gowns and tassels on bachelor’s and master’s caps.
